

Technical Data Sheet

V1.0

1. Product Information

Product Name:

Disposable chemical-resistant nitrile gloves

Model LD09

Material Nitrile

Size Available 7(S),8(M),9(L)

Colour Available Black

Non-slip design Powder-free

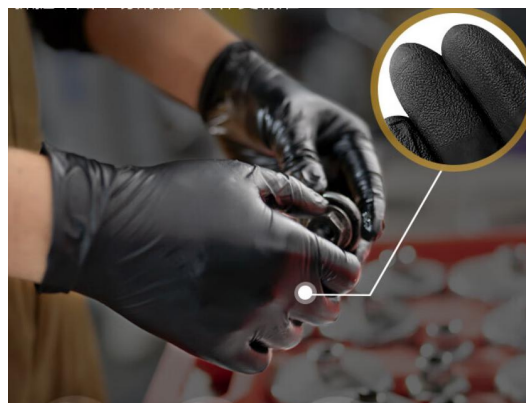

Cuff type Hemming

Product
Certification

EN ISO 374-1:2016/Type B

K P T

1. Product Description

1) Products imported from Vietnam

2) Made of eye-fixing rubber, wax-free, powder-free, DEHP-free

3 Palm surface hemp anti-slip design

3) Thickened dipping, more durable use, more effective protection

5)The cuff rolled edge design increases the protection of the wrist part and ensures safety and comfort

6)Silicone-free

7)AQL4.0

2.Applications

Main Fields of Use:

- Chemical industry
- Electronics industry
- Metal working industry
- Laboratory analysis
- Food industry and catering industry
