

Company developments :

Jinayon Paper Products Co., Ltd is one of the biggest and earliest professional gameltoy producers in China, with over10 years experience behind. We mainly manufacture and export to overseas markets with our in-house production and design request catering to fresh designing requests from customers. Basically, our product range includes board games, playing cards, children's books and puzzles with the function of educational fun, games, office and school types, combining innovation of our design team and overseas customers' inspiration. Our e-friendly products have been sold very well in North America, Europe and Australia markets with our most advanced domestic production lines.
