

WUPRO® Cinema

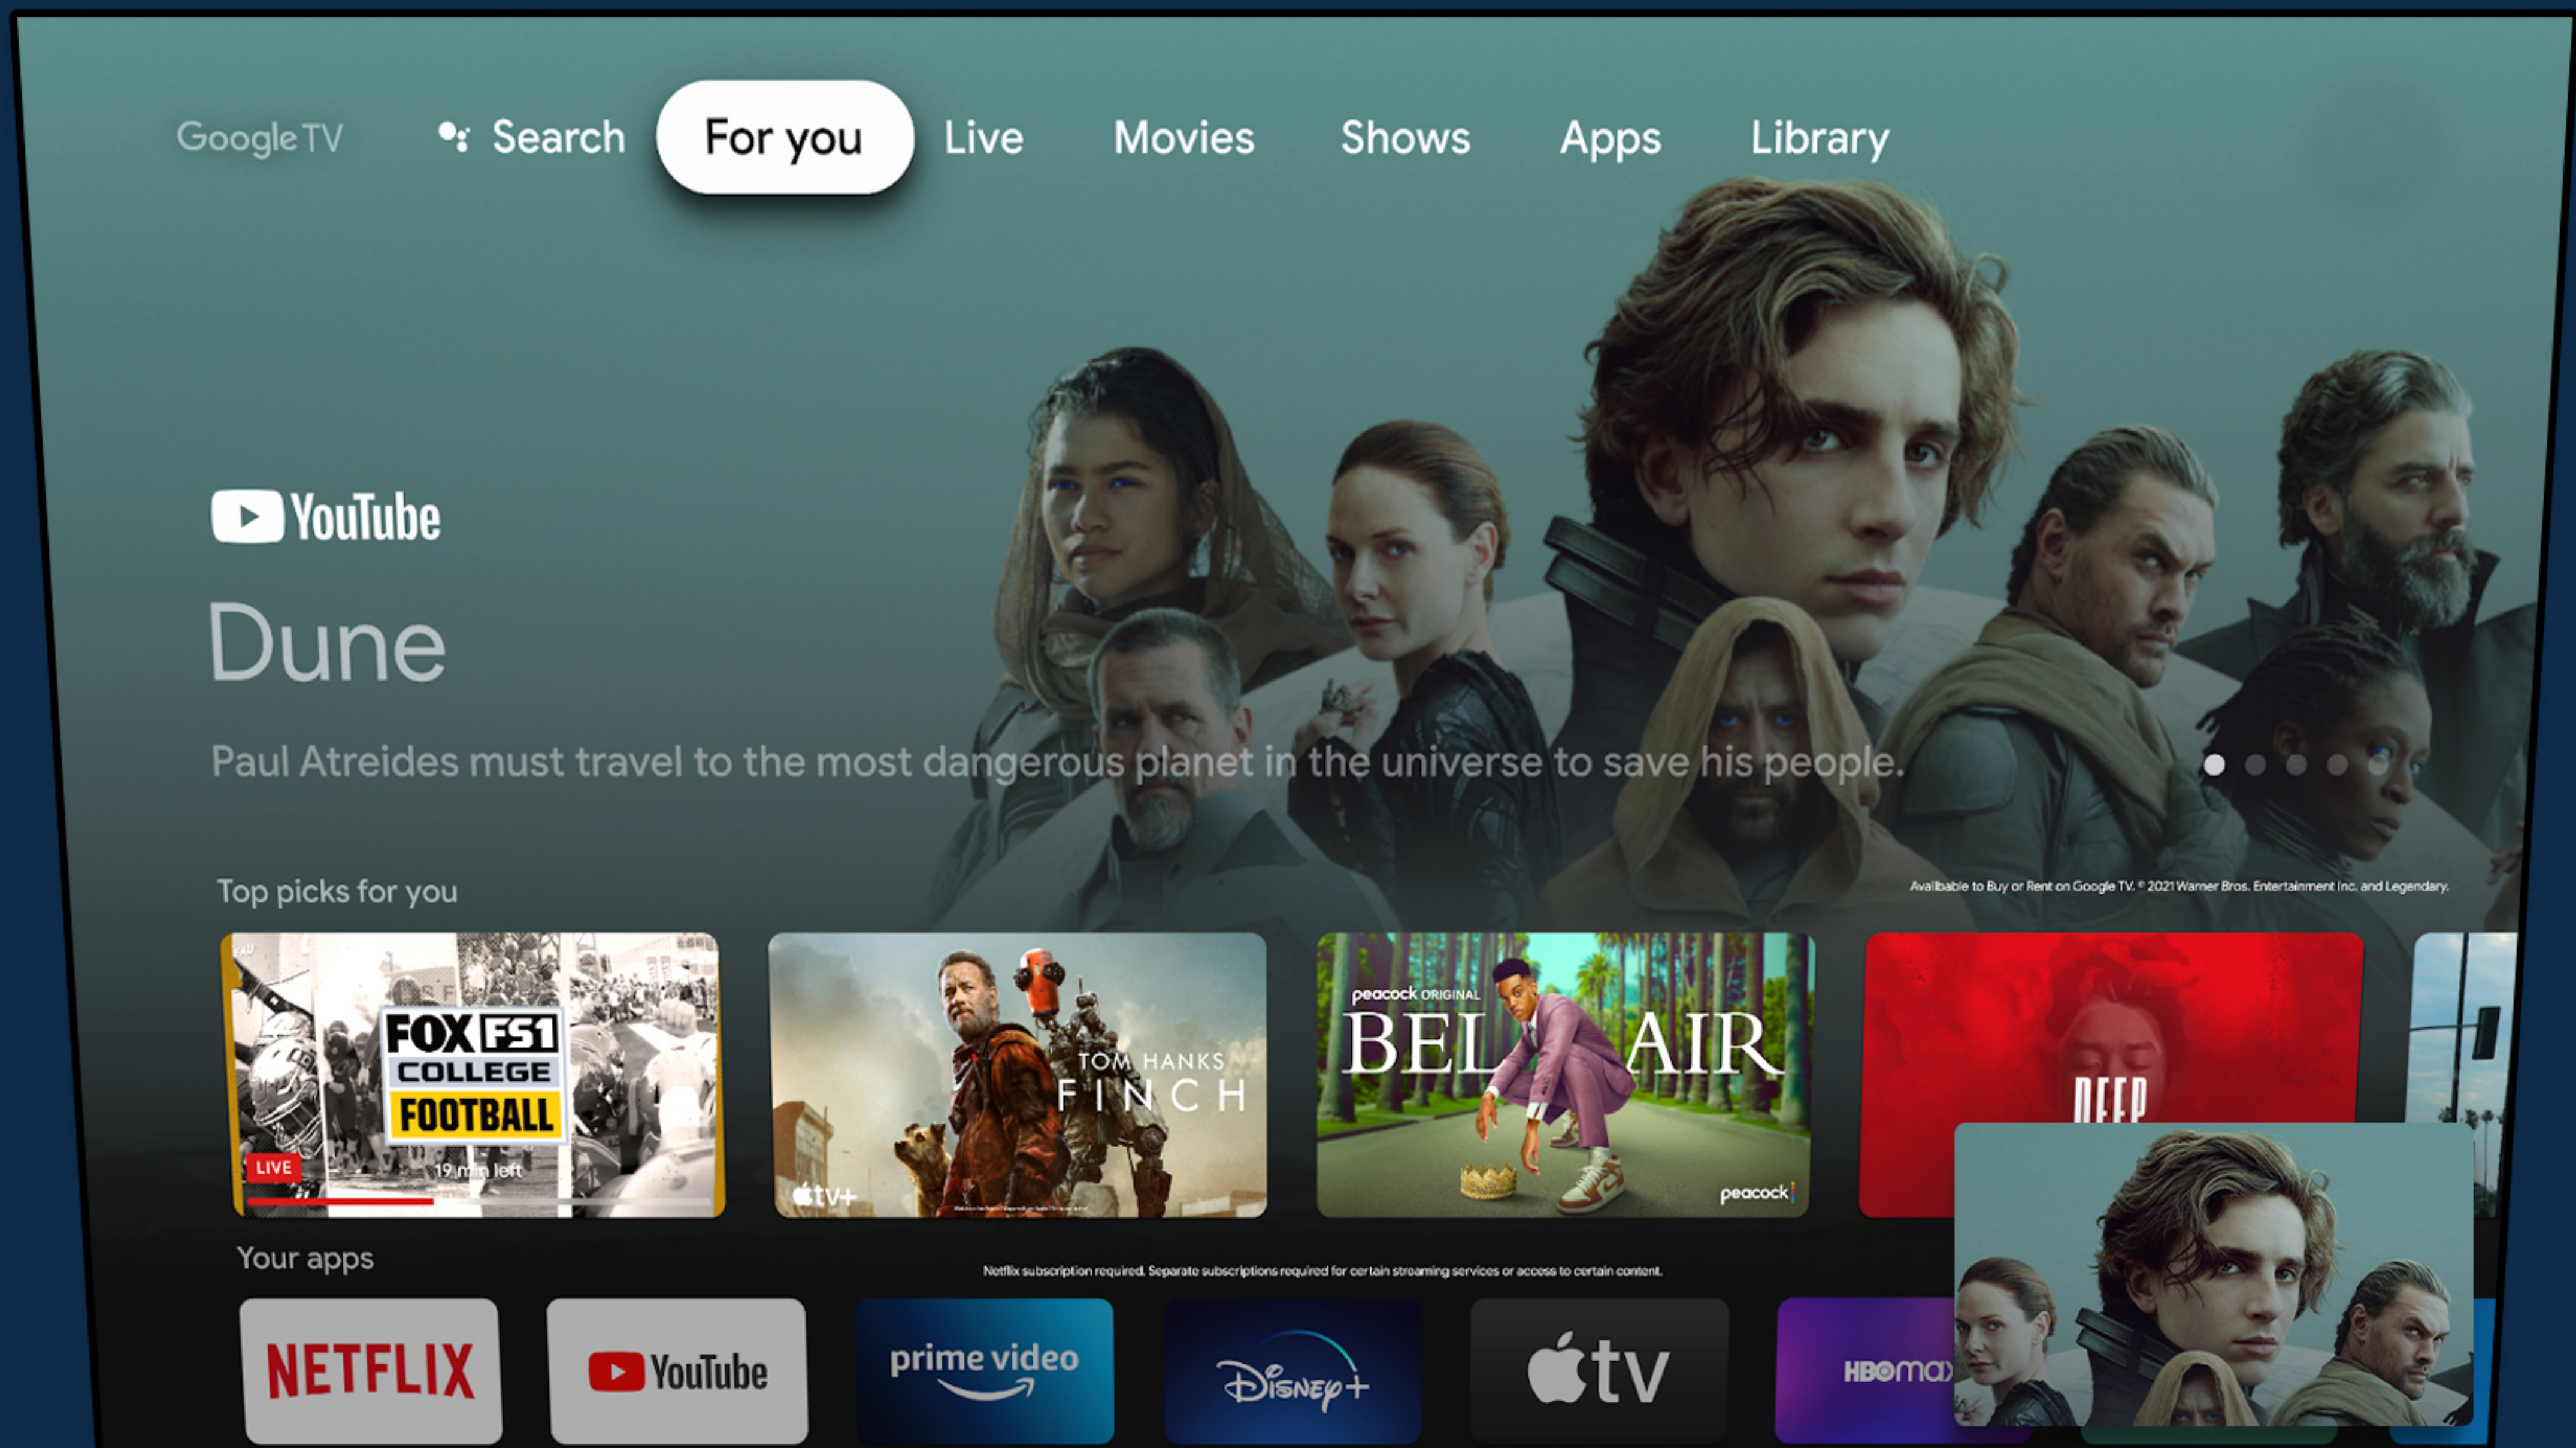

**FENGOS GLOBAL IS HERE:**

**UPGRADE TODAY!**

\*This upgrade applies to X5 and S5 series projectors.

## DEAR USER

We appreciate your choice to upgrade to the global version of **FengOS**. Please follow the steps below carefully to ensure a smooth transition:

(WARNING: This upgrade is irreversible; you cannot revert to the Chinese version.)

# #1. PREPARATION

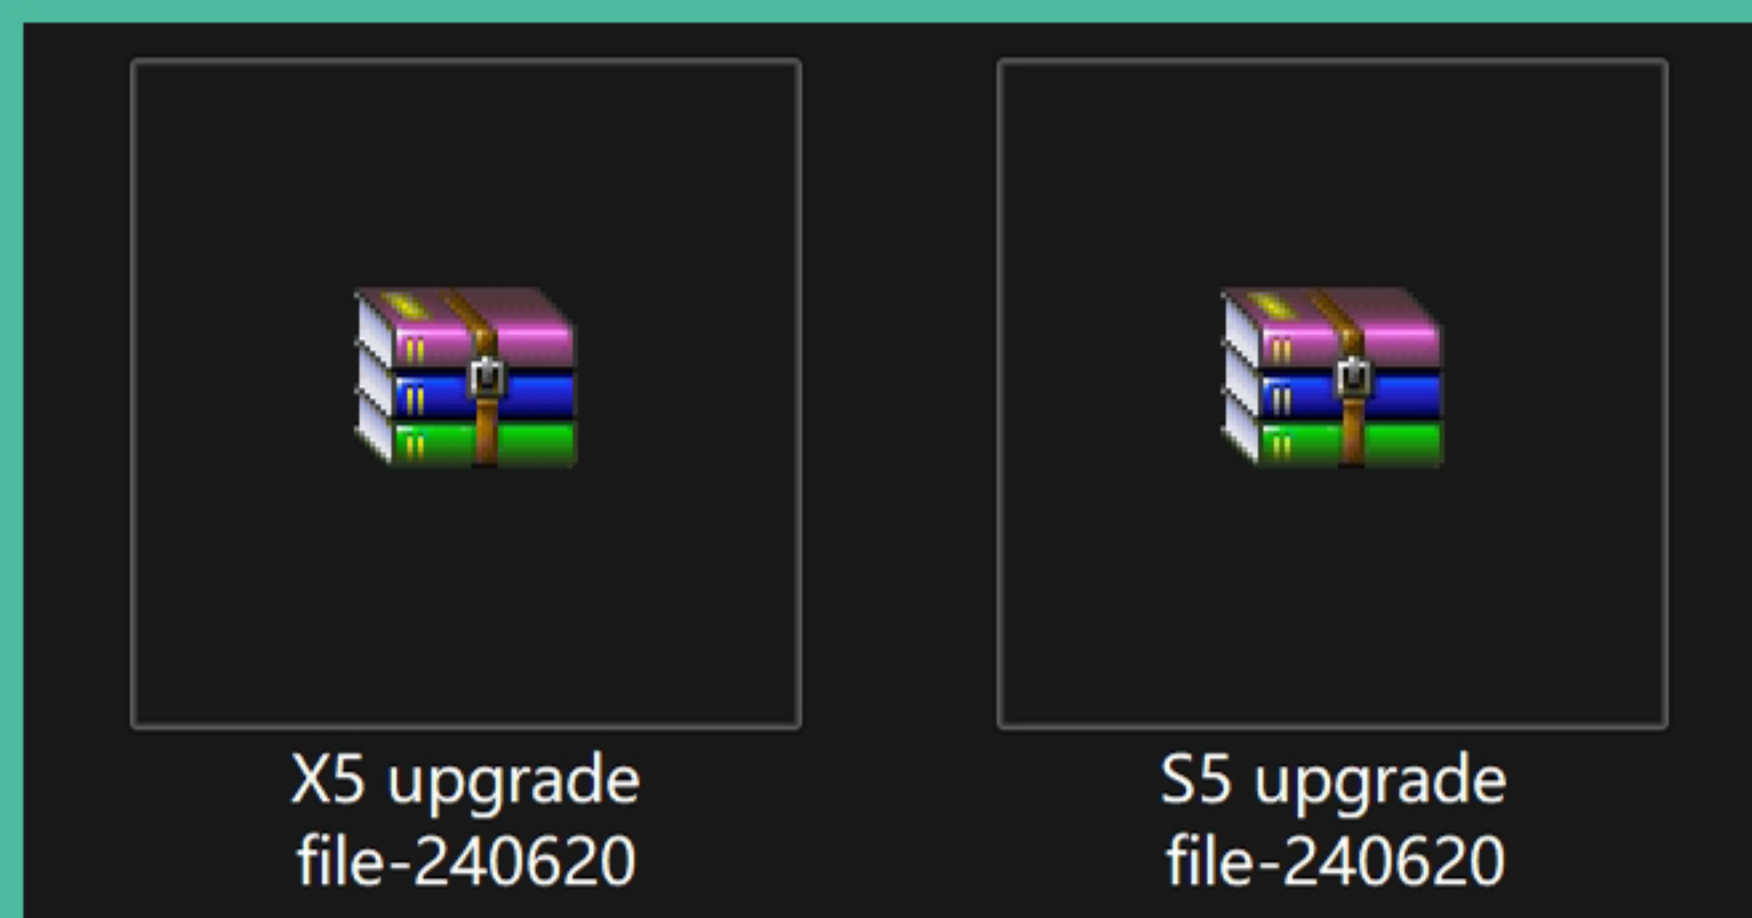

① Download the firmware from the link provided below.

## \*Direct download link:

X5 [https://drive.google.com/file/d/1DI7PD-Qz5rXGP13VxyR-4uQlwQRhxqPR/view?usp=drive\\_link](https://drive.google.com/file/d/1DI7PD-Qz5rXGP13VxyR-4uQlwQRhxqPR/view?usp=drive_link)

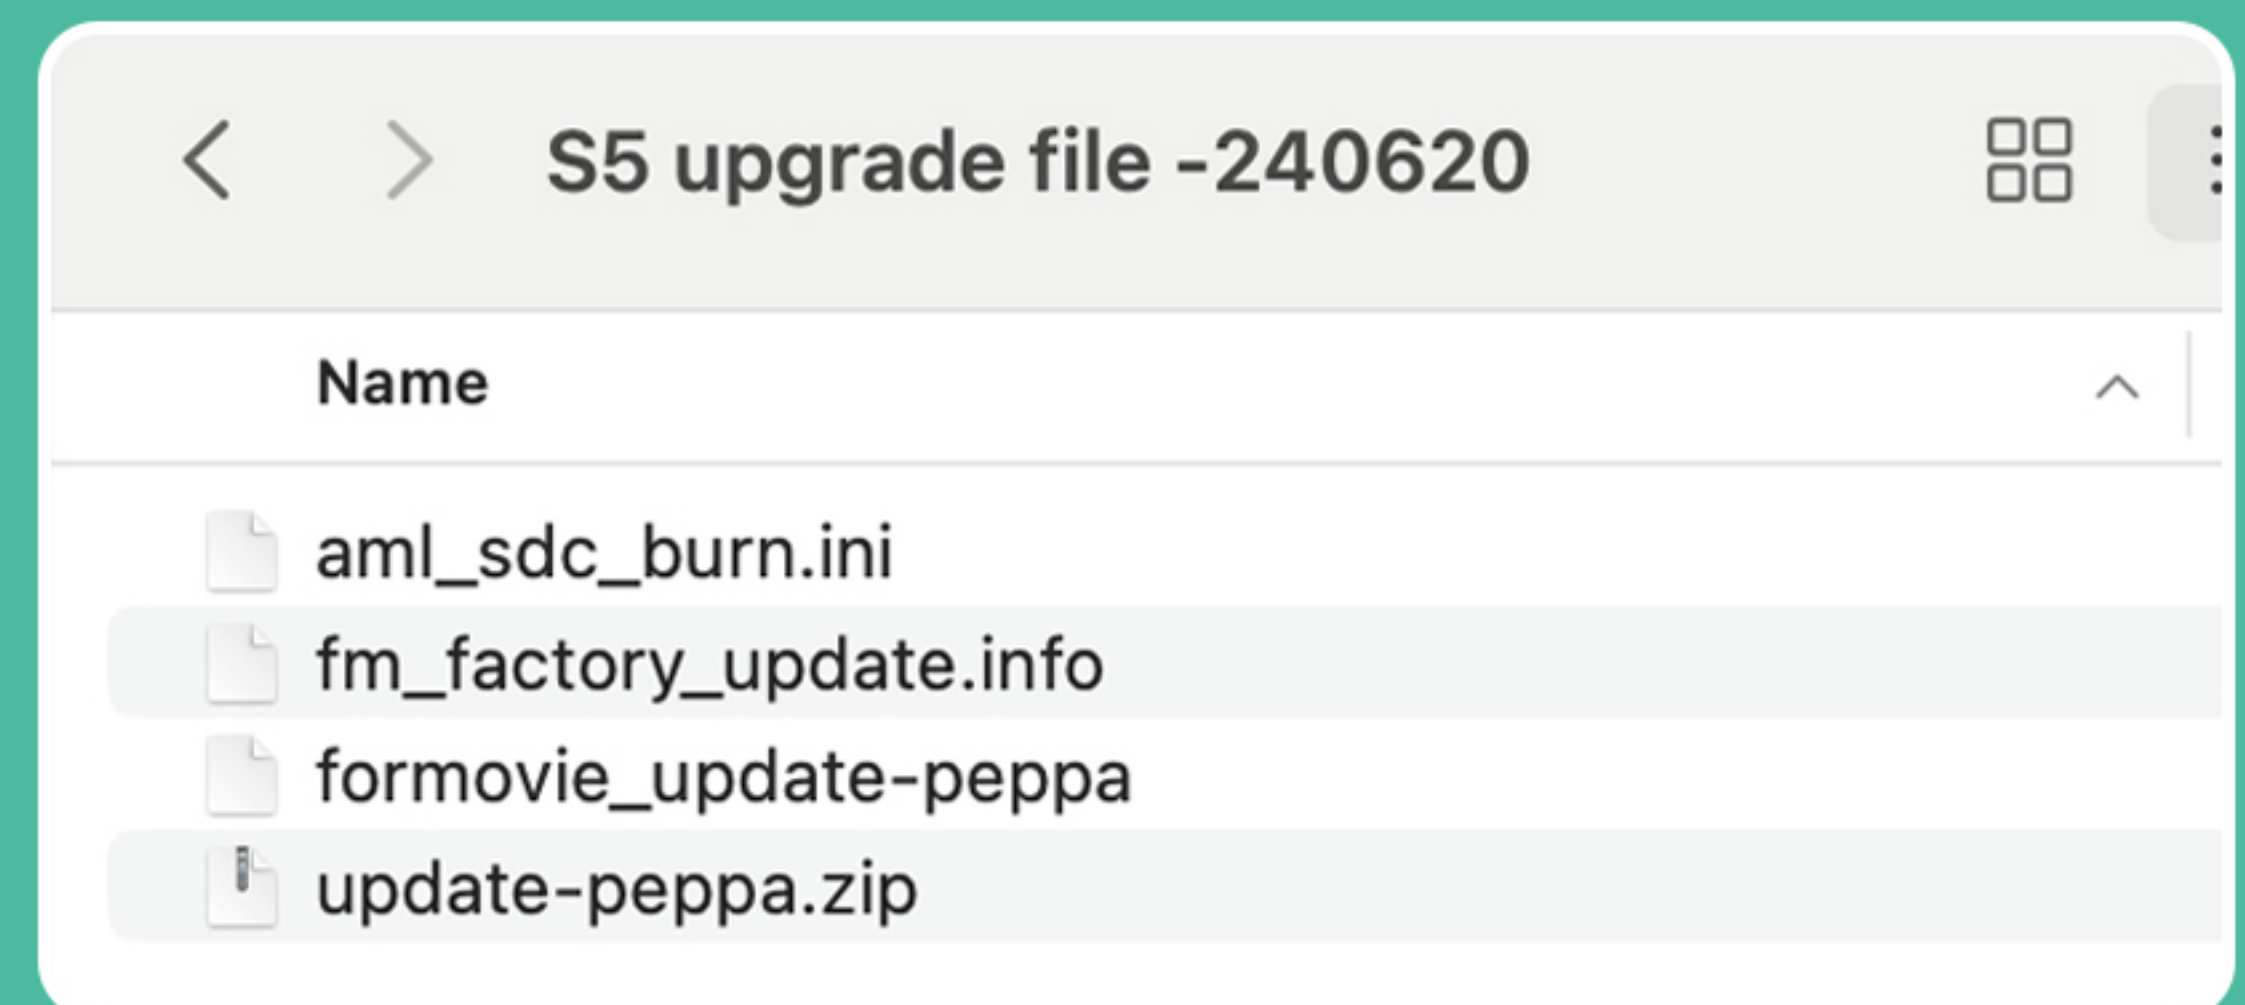

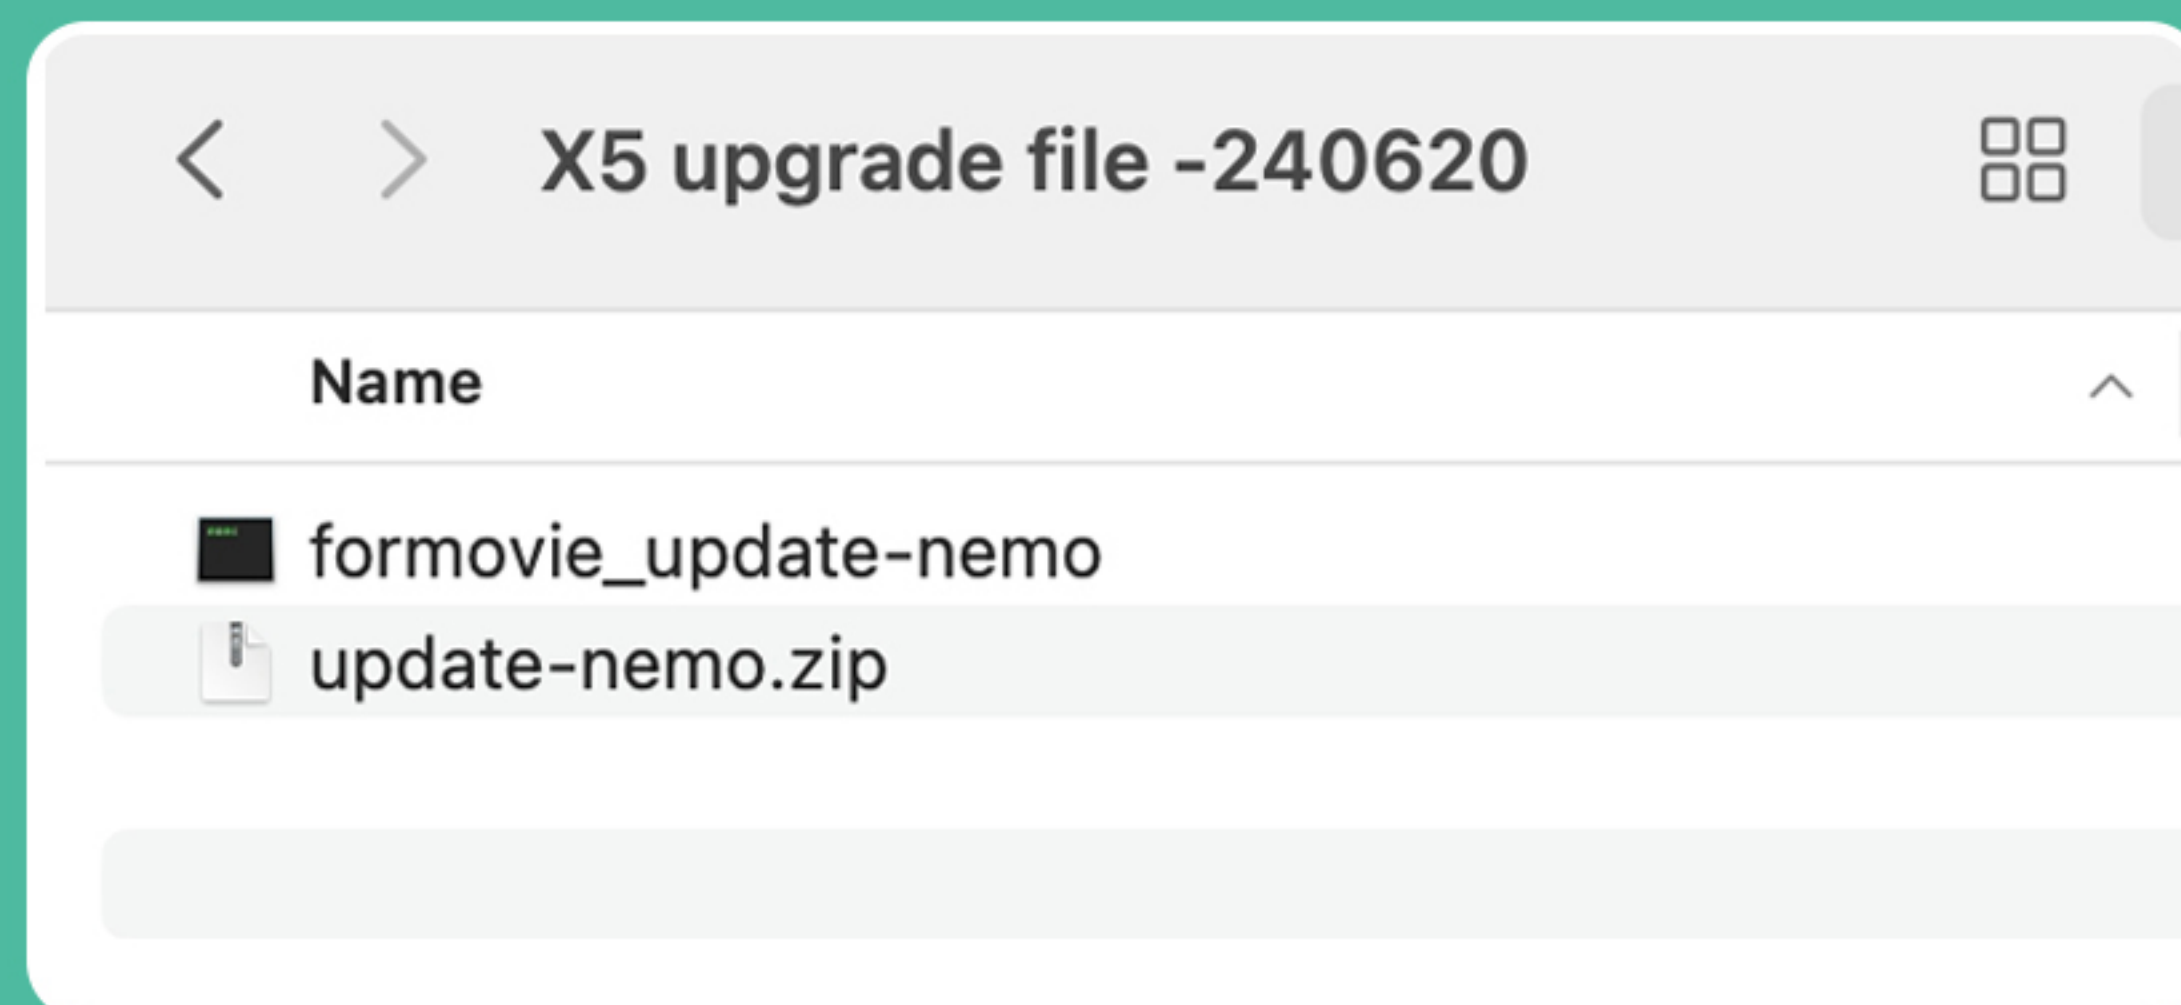

S5 [https://drive.google.com/file/d/1o1yrkBwi6A1h4mM6mpSoJOJRaoQk350z/view?usp=drive\\_link](https://drive.google.com/file/d/1o1yrkBwi6A1h4mM6mpSoJOJRaoQk350z/view?usp=drive_link)

② Unzip the S5/X5 upgrade file named "**S5 upgrade file-240620.zip**" and "**X5 upgrade file-240620.zip**" directly onto your USB flash drive.

\*Recommendation:

\*Use a USB flash drive formatted with FAT32.

③ Insert the USB flash drive into the projector.

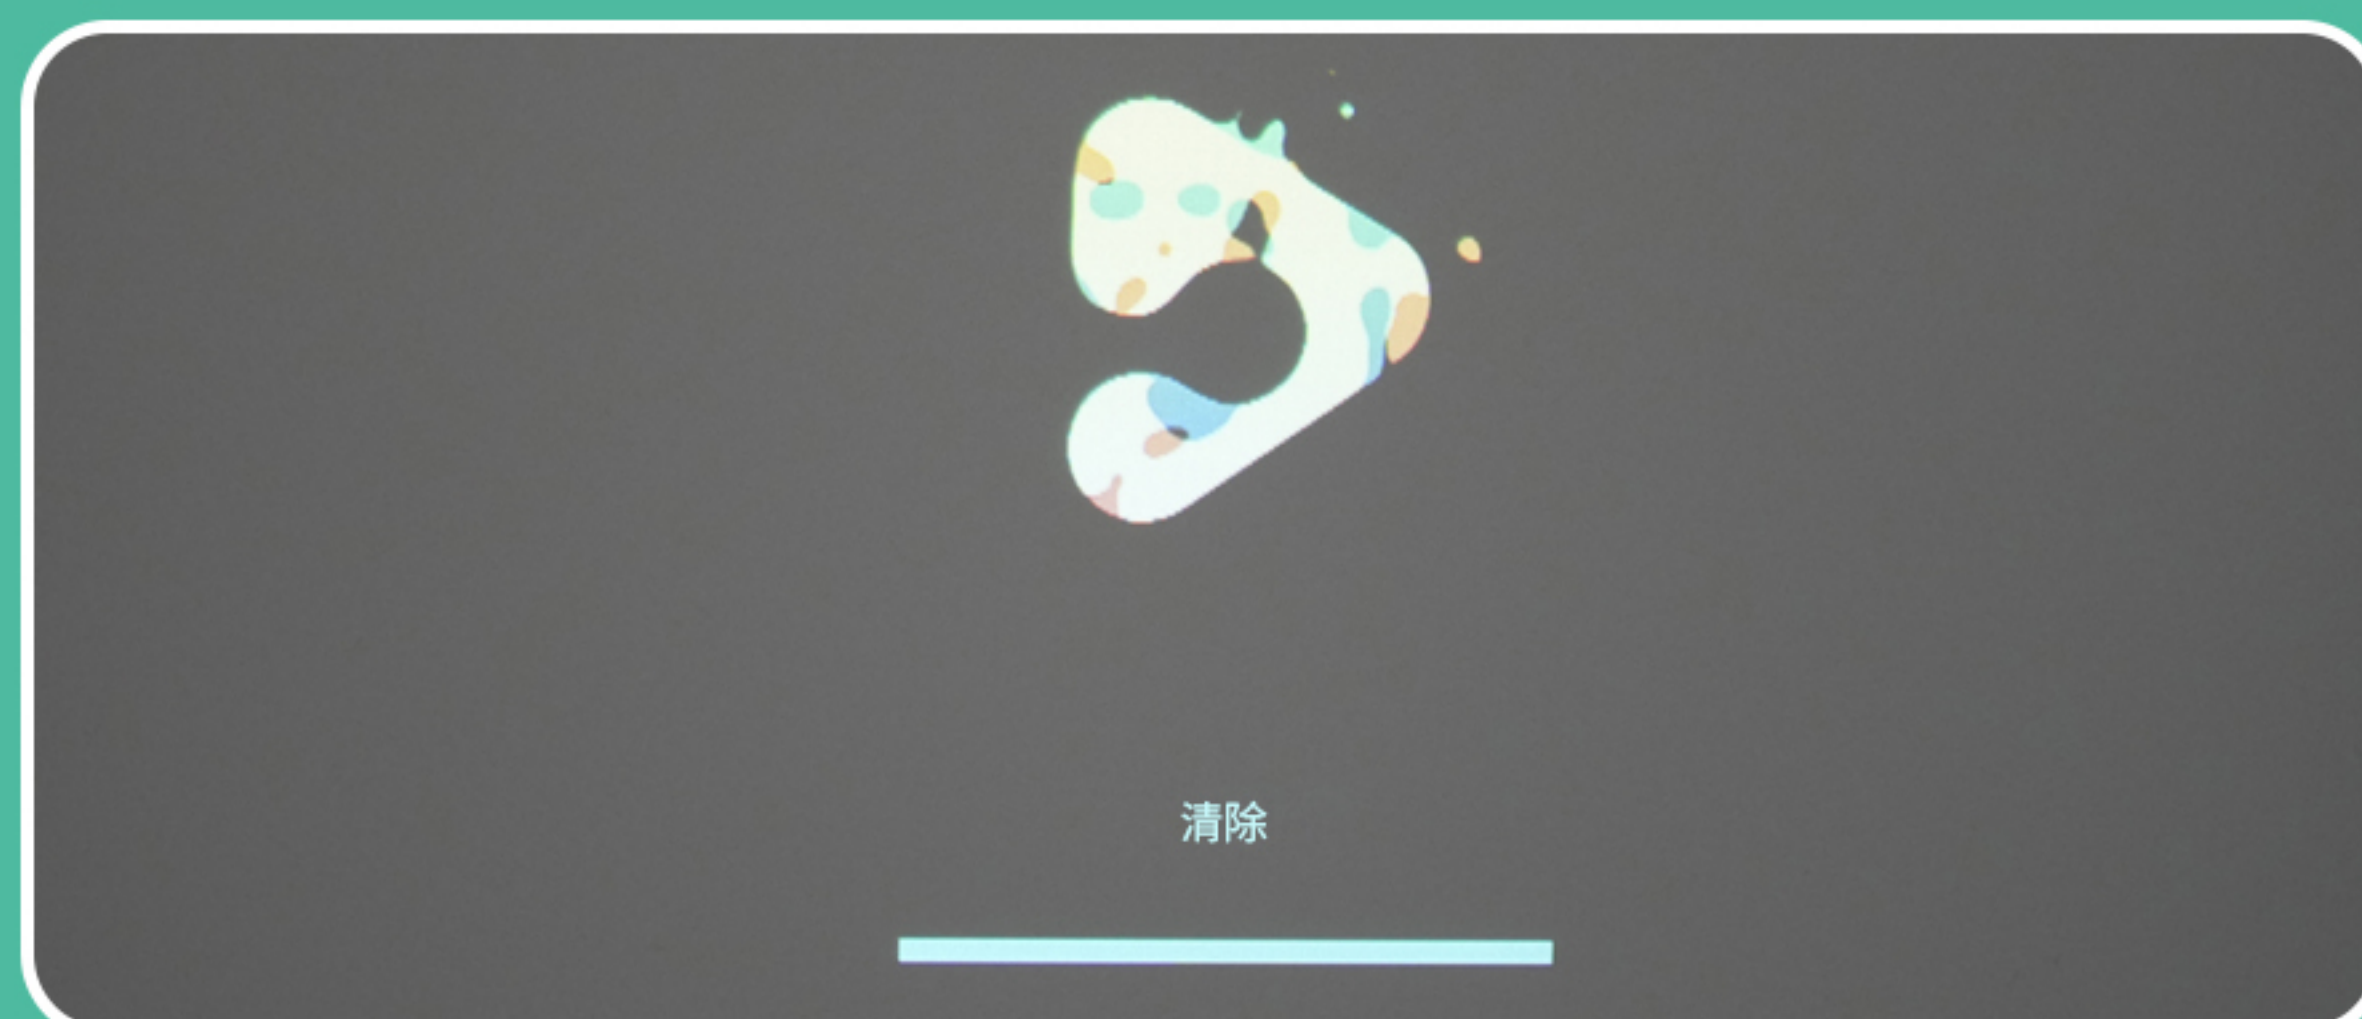

## # 2. OPERATION

- ① Unplug the power lead from the projector.

- ② Press and hold the designated two buttons simultaneously, then plug the power lead back in.

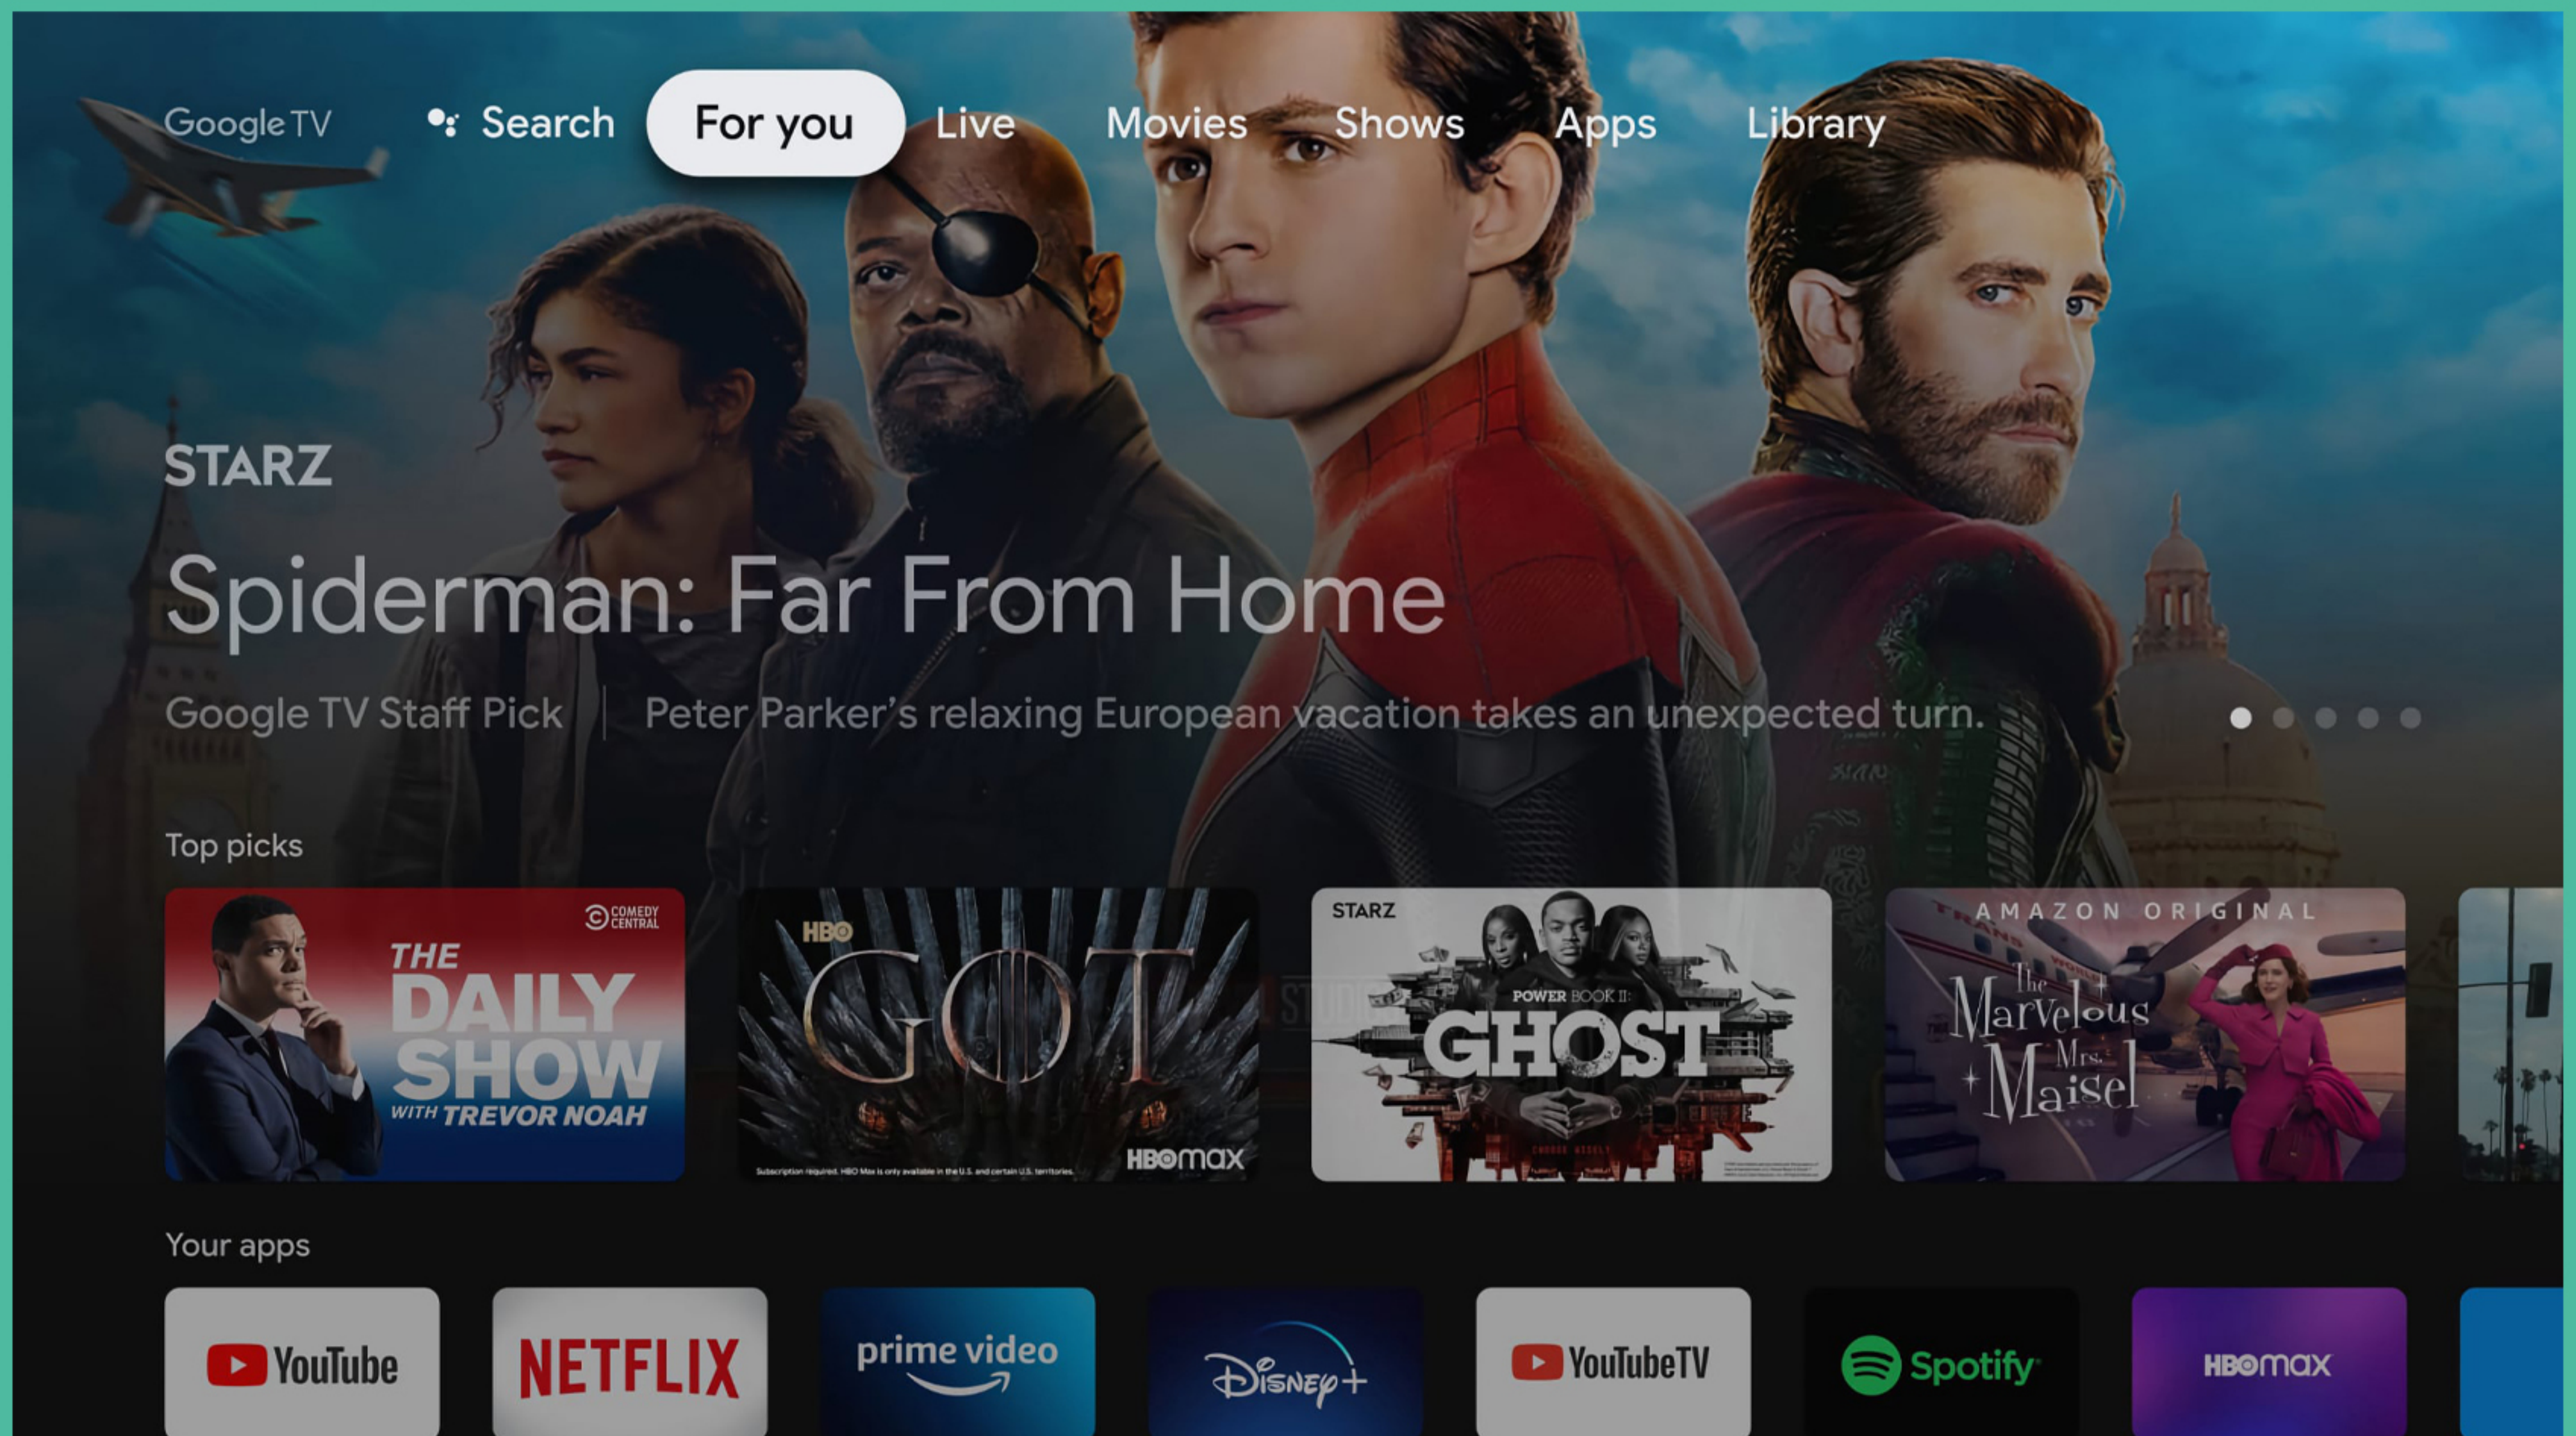

- ③ When "清除" appears on the screen, release the buttons.

# # 3. UPGRADING

① Wait patiently for the upgrade process to complete.

② Once the upgrade is done, the projector will reboot automatically.

# Congratulations!

Your projector now runs the  
**global**  
**version of FengOS.**

Enjoy the enhanced features and improved performance.

If you encounter any issues during the upgrade process,  
please feel free to reach out to our support team for assistance.
