Tel: +1786 883 7756

OFFICE: 88 Clyde Alexander Way, Pooler GA 31322

<http://www.leafagepackaging.com>

**Rtco** is a leading manufacturer and supplier of packaging solutions serving the worldwide demand for cannabis products. With factories overseas and an innovative team of cannabis professionals, we offer a complete range of services for all your packaging needs. We are able to meet the regulatory framework by adhering to the strict quality assurance standards of Health America. Our child-resistant products are ISO 8317.2015 certified, food safe and designed to provide safe storage while keeping your brand's identity visible to the consumer. **Rtco** actively works alongside the America, cannabis community to lead the industry towards sustainable and environment friendly packaging solutions. Development and outreach programs are key concepts that will ultimately contribute to **Rtco** success in influencing an eco-friendly approach within the cannabis industry.
