Medical Refrigerator Blood Bank Refrigerator

Product Feature

BBR210

Advanced Cooling System

Ensure temperature fast recover and stability by intelligent controlled fan forced air cooling system,air cooled chiller finned evaporator with unique circulation system design to ensure frost-free cooler environment,double-layer vacuum electric heating glass door,ensure the door will not get condensation under high temperature and high humidity environment.

Precised Microcomputer temperature control

Microprocessor-based temperature controller,digital temperature display,accuracy is 0.1℃
Excellent refrigeration layout,inside temeprature is 4±1℃.
Standard thermal printer can track temperature inside all the way.

Operating Security

For safety and reliability,alarm moudle keep monitoring surroundings and system status
Two Alarm style:buzzing,flashing
ALarms:High/Low temperature alarms,power failure alarm for 72 hours,sensor failure alarm,door ajar alarm,condenser abnormal alarm,low battery alarm.

Humanized Design

Equipd baskets for blood bags.
Safety lock design prevents any abnormal door status.
Test hole optional
Adjustable shelves design.
Lighs inside make everything clear.
Foam glass door design,independent inner doors, self-closed doors ensure perfect insulation performance.
Patented temperature box design,make the display temperature closer to the storage blood
Sus inner tank
Wide voltage range from 187V~242V.

Technical Data	
Type	4℃ Blood Bank Refrigerator
Cabinet Type	Vertical
Climate Class	N
Cooling Type	Forced Air Cooling
Defrost Mode	Auto
Refrigerant	CFC-Free
Performance	
Cooling performance(℃)	4
Temperature Range(℃)	4±1
Electrical Data	
Power Supply	187-242/50-60
Power(W)	200
Dimensions	
Capacity(L)/Baskets/450ml Blood bags	208/12/132
Net/Gross Weight(kg)	67/75
Internal Size(W*D*H)mm	432*462*978
External Size(W*D*H)mm	522*600*1550
Packing Size(W*D*H)mm	572*685*1570
Functions	
Alarms	High and low temperature alarms,sensor error alarm，power
Accessories	2 inner doors,testing hole,out door latch,light,thermal printer
Optional	Remote alarm,temperature recorder
Certificate	ISO
