## Fully Automatic Arm Style Electronic Blood Pressure Monitor YJ-BP02

Main parameters	
Name	Fully Automatic Arm Style Electronic Blood Pressure Monitor
Display	Digital liquid crystal display
Measurement mode	Oscillometric method
Measurement range	Pressure: 0kPa-37.3kPa(0mmHg-280mmHg) Pulse: 40-199times/min
Accuracy	Static pressure: +0.4 kPa( $\pm 3$ mmHg) Pulse: within $\pm 5\%$
Resolution	0.1kPa(1mmHg)
Power supply	DC 6V(1.5V four AAAbatteries)
Storage temperature and moisture	Temperature: -20C~55°C Moisture: 10%~85%RH
Using temperature and moisture	Temperature: 5C~40°C Moisture: 15%~85%RH
Weight	About 220g(exclude batteries)
Dimention	115mm×96mm×59mm(L*W*H)
Accessories included	Warranty card, Certificate, Armband, Product Manual Storage Bag
Notes:	
Prime style--With backlit and voice function	
Expanded style--With voice function	
Basic style--without the functions above
