About US

Hewang Silicone Company established in 2018, who is a professional engaged in the research, development, sale and service of Food grade silicone houseware, Silicone bottle, Silicone coffee cup, Shoe cover, folding silicone product. We are located in Shenzhen with convenient transportation access.

There are design department, Tooling department, Compression molding department, Packaging workshop, Quality department, Sales department and shipping department etc.

Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss your requirements and ensure full customer satisfaction. From Products design, production, quality control, delivery to after-sales service etc. Each tiny part will be done the best.

In addition, we have obtained BSCI, ISO certificates. Selling well in all cities and provinces around China, our products are also exported to clients in such countries and regions as Europe, North and South America, Australia, Southeast Asia etc. We also welcome OEM&ODM orders. Whether selecting a current product from our catalog or seeking engineering assistance for your application, you can talk to our customer service center about your sourcing requirements. Give us a chance, allowing you to remove a variety of containers, allowing you to remove a variety of containers and packaging procurement process tedious work to follow up the process. We fully support a variety of fabrication equipment, allowing you to experience the real one-stop shopping convenience.
