Battery Product List

Order number	Product code	Name of commodity
1	8506101110	A kind of button cell and a kind of battery pack of alkaline zinc manganese free mercury (mercury content <0.0005% of the battery weight)
2	8506101210	Cylindrical Primary Cell and Battery Pack of Mercury-free Alkaline Zinc Manganese (Mercury Content <0.0001% of Battery Weight)
3	8506101910	Other mercury-free alkaline zinc-manganese primary cells and battery packs (mercury content <0.0001% of cell weight)
4	8506101990	Other alkaline zinc-manganese primary cells and battery packs containing mercury (mercury content ≥ 0.0001% of the cell weight)
5	8506109010	Other mercury-free manganese dioxide primary cells and battery packs (mercury content <0.0001% of battery weight; for snap-button batteries, mercury content <0.0005% of battery weight)
6	8506109090	Other primary cells and battery packs containing mercury-containing manganese dioxide (mercury content ≥ 0.0001% of the battery weight; for snap-button batteries, mercury content ≥0.0005% of the battery weight)
7	8506400010	Silver oxide primary cells and primary cell packs (mercury-free) (mercury content <0.0001% of cell weight; for snap-on batteries, mercury content <0.0005% of cell weight)
8	8506400090	Galvanic cells and battery packs containing silver oxide (mercury content ≥0.0001% of battery weight; for snap-action batteries, mercury content ≥0.0005% of battery weight)
9	85065000	Primary Battery and Battery Pack of Lithium
10	8506600010	Zinc-air primary cell and battery pack (mercury-free) (mercury content <0.0001% of battery weight; for snap-on batteries, mercury content <0.0005% of battery weight)
11	8506600090	Zinc-air primary cells and battery packs (containing mercury) (mercury content ≥ 0.0001% of battery weight; for snap-on batteries, mercury content ≥ 0.0005% of battery weight)
12	8506800011	Mercury-free fuel cells (mercury content <0.0001% of battery weight, for snap-on batteries <0.0005% of battery weight)
13	8506800019	Other mercury-free primary cells and battery packs (mercury content <0.0001% of battery weight; for snap-button batteries, mercury content <0.0005% of battery weight)
14	8506800091	Mercury-containing fuel cells (mercury content ≥ 0.0001% of the battery weight; for snap-on batteries, mercury content ≥ 0.0005% of the battery weight)
15	8506800099	Other mercury-containing primary cells and battery packs (mercury content ≥0.0001% of battery weight; for snap-button batteries, mercury content ≥0.0005% of battery weight)
16	85069010	Components of a manganese dioxide primary cell or primary cell assembly
17	85069090	Other primary battery packs or components of primary battery packs
18	85075000	Nickel metal hydride battery
19	85076000	Lithium-ions battery
20	85078030	All vanadium flow battery

Order number	Product code	Name of commodity
21	85078090	Other batteries
22	85079090	Other battery components
