Goodman

Hotel and Restaurant Supplies

Jiangmen Goodman Hotel and Restaurant Supplies Co., Ltd. was established in 2011, located in Jiangmen City, Guangdong Province, adjacent to Hong Kong and Macao. Goodman always adheres to the "high quality, medium price" line, according to the needs of catering customers to develop a broader market. Goodman provides customers with cleaning supplies, table supplies, kitchen supplies, etc., to achieve the integration of design, development, production, sales, and marketing services.

Adhering to the enterprise tenet of "Customer first, quality first", Goodman insists on the selection of high-quality raw materials to produce various plastic products. In addition, the factory has perfect mold processing, equipped with a variety of advanced processing equipment. At the same time, we have 12 famous brand injection molding machines, equipped with a group of mold technicians with 20 years of experience, focusing on mold design and mold injection. In addition, we can provide our customers with services ranging from product design to injection molding to support their development and explore new markets.

"To be among the leading ranks of the industry, to make products spread across every country and region" is the direction our company has been working hard. Through our continuous integration of modern management advantages, product advantages, and technological innovation advantages, we constantly optimize each position and improve its efficiency of each position. No matter products, or services, our company has won consistent praise from customers at home and abroad.
