

Sitting for a long time will cause physical pain and eye strain. That's why we provide V-mounts sit to stand desk converters. Designed to make your work experience more healthy, comfortable and ergonomic.

Standing throughout the day also keeps the mind alert and productive while you work, relieving much of lower back pain. Featuring durable tension spring power for smooth vertical transitions, a height lock mechanism for a completely customizable setup, and a large upper deck for dual monitor layouts, this product was built for efficiency!

Say goodbye to long days of sitting at the office, and end your work day feeling refreshed and energized!
