LED Indicator & Pairing

🅑 Bluetooth Mode – Green LED

◉ IR Mode – Red LED

Pairing

1.Insert the batteries.
2.Press and hold the HOME and BACK buttons together for 3s until the Green LED flashes rapidly, then release.
– Success : Green LED stays on for 2s, then turns off.
– Failure : Exits automatically after 60s, green LED turns off.
– Device Name: RemoteG20

Backlit Mode

(1) Button Control : Press the Backlit button to turn the remote control's backlight on or off. The default setting is Off.
(2) Auto-Off : When the backlight is on and no operation is performed for 5s, the backlight will turn off automatically.
(3) Backlight : When the backlight is on, pressing any button on the remote control will light up the keys.

Learning Keys

The four buttons in the "TV" section support IR Learning. Once programmed, they only transmit Infrared (IR) signals.

Learning Steps

(1) Enter Learning Mode: Press and hold ⏻ key in the TV area for 5s→Red LED stays on.
(2) Start Learning : Press the learning key →Red LED flashes →Press the target key (TV).
★ Keep the two remotes about 2–3 cm apart.
- Success : Red LED flashes 3 times, then stays on.
- Failure : Red LED keeps flashing.
(3) Exit : Press any number key, or it will auto-exit after 10s of no operation, saving the data.
(4) Clear Data: Press and hold ⚙ + 🏠 for 3s→ Red LED flashes 3 times.

Sleep Mode & Wake-up

The RC45 remote enters standby mode if there is no operation for 10s, and press any key to wake it up.

Low Battery Warning

When the battery is low, pressing any button will cause the red LED to flash for 10s. Please replace the battery promptly.

Air Mouse Mode

(1) Air Mouse On : Press the "Air Mouse" key to turn on.
(2) Mouse Left-Click : When Air Mouse is on, press the "OK" key to perform the left mouse button function.
(3) Air Mouse Off : When Air Mouse is on, press the "Air Mouse" key again or press any of the "Up / Down / Left / Right" keys to turn it off.
※ After reboot or wake-up from sleep, the Air Mouse is off by default. If turned on, it will automatically enter sleep mode after 1 min of inactivity.

Compatibility Notice

Due to the wide variety of Google TV and STB brands and models, individual key functions may vary.

Warranty Info

Please contact your local distributor, agent, or retailer for the limited warranty terms of the RC45.
