

product picture	
product model	AC-AC-600
input voltage	AC 190V-310V 50HZ±7HZ
No-load voltage stabilization output voltage	AC 220V±5VA 50HZ±1HZ
Output full-load power	400W±20W
Output overload power	Power> 650 W ± 20 W; reduced output voltage
waveform	pure sine wave, pure wave
defensive function	High-voltage protection, low-voltage protection, over temperature protection, overload protection, short-circuit protection.
Inverter size	240*148*75mm
Product weight	2.24 kg per set
Number of packed items Packaging dimensions (mm)	8/unit 591*450*270mm
Total box weight (KG)	18.8KG
