

product picture	 <p>The image shows a grey, rectangular Hisolar AC-AC-2000 Voltage Stabilizer. It features a digital display at the top, the Hisolar logo in the center, and technical specifications '2000VA VOLTAGE STABILIZER Single Phase' at the bottom.</p>
product model	AC-AC-2000
input voltage	AC 190V \sim 310V 50HZ \pm 7HZ
No-load voltage stabilization output voltage	AC 220V \pm 5V 50HZ \pm 1HZ
Output full-load power	2000W \pm 50W
Output overload power	Power $>$ 2000 W \pm 50 W; reduced output voltage
waveform	pure sine wave
defensive function	High-voltage protection, low-voltage protection, over temperature protection, overload protection, short-circuit protection
Inverter size	355*222*95mm
Product weight	4.42 kg per set

Number of packed items Packaging dimensions (mm)	4 pieces/unit; dimensions: 615*435*340 mm
Total box weight (KG)	18.16KG
