

## 250W Solar Panel 72 Cells TPT Backsheet Waterproof Operation

Our Product Introduction

for more products please visit us on [monosolarpanel.com](http://monosolarpanel.com)

### Basic Information

- Place of Origin: Ningbo, China
- Brand Name: Linksun
- Certification: CE
- Model Number: LS-250M
- Minimum Order Quantity: 100Pcs
- Packaging Details: 1PC/Ctn
- Delivery Time: 5-8days
- Payment Terms: 30% TT in advance, 70% balance before delivery.
- Supply Ability: 1000pieces per week

### Product Specification

- Backsheet: TPT
- Benefits: Durable, Convenient, Waterproof
- Logo Print: Customization
- Operating Temperature: -40°C To +85°C
- Size: 1640x992x40mm
- Support: OEM/ODM
- Number Of Cells: 72 (6x12)
- Model: Panel
- Highlight: Flexible Solar Panels 72 Cells, Waterproof Operation Ja Solar Panel, Custom Logo Print Ja Solar Panel

## Product Description

### 250W Solar Panel 72 Cells TPT Backsheet Waterproof Operation

#### Product Description:

A 250W mono (monocrystalline) solar panel is a type of solar panel known for its high efficiency and sleek appearance. Monocrystalline solar panels are made from a single continuous crystal structure, which generally results in higher efficiency compared to polycrystalline panels. Here are some key points and specifications typically associated with a 250W mono solar panel:

#### Key Features:

- 1.High Efficiency:** Monocrystalline panels typically have higher efficiency rates, often around 15-20%.
- 2.Durability:** These panels are known for their longevity and often come with warranties of 20-25 years.
- 3.Space-Efficiency:** They produce more power per square foot than polycrystalline panels, making them ideal for installations where space is limited.
- 4.Performance in Low Light:** They perform better in low-light conditions compared to other types of solar panels.

#### Technical Parameters:

Attribute	Detail
Logo Print	Customization
Cell Type	Monocrystalline
Size	1640x992x40mm
Operating Temperature	-40°C To +85°C
Support	OEM/ODM
Cell Efficiency	22.7%
Backsheet	TPT
Benefits	Durable, Convenient, Waterproof
Number Of Cells	72 (6x12)
Model	Panel

#### FAQ:

Q1: What is the brand name and model number of the Mono Solar Panel?

A1: The brand name of the Mono Solar Panel is Linksun, and the model number is LS-250M.

Q2: Where is the Linksun LS-250M Mono Solar Panel manufactured?

A2: The Linksun LS-250M Mono Solar Panel is manufactured in Ningbo, China.

Q3: Does the Linksun LS-250M Mono Solar Panel come with any certifications?

A3: Yes, the Linksun LS-250M Mono Solar Panel comes with CE certification.

Q4: What is the minimum order quantity for the Linksun LS-250M Mono Solar Panel?

A4: The minimum order quantity for the Linksun LS-250M Mono Solar Panel is 100 pieces.

Q5: What are the packaging and delivery details for the Linksun LS-250M Mono Solar Panel?

A5: The Linksun LS-250M Mono Solar Panel is packaged as 1 piece per carton. The delivery time is typically between 5-8 days.

Q6: What are the payment terms for purchasing the Linksun LS-250M Mono Solar Panel?

A6: The payment terms are 30% TT (Telegraphic Transfer) in advance, and the balance of 70% is to be paid before delivery.
