

New management system function introduction

Wuhan Gao Sheng Wei Ye
Technology Co., Ltd

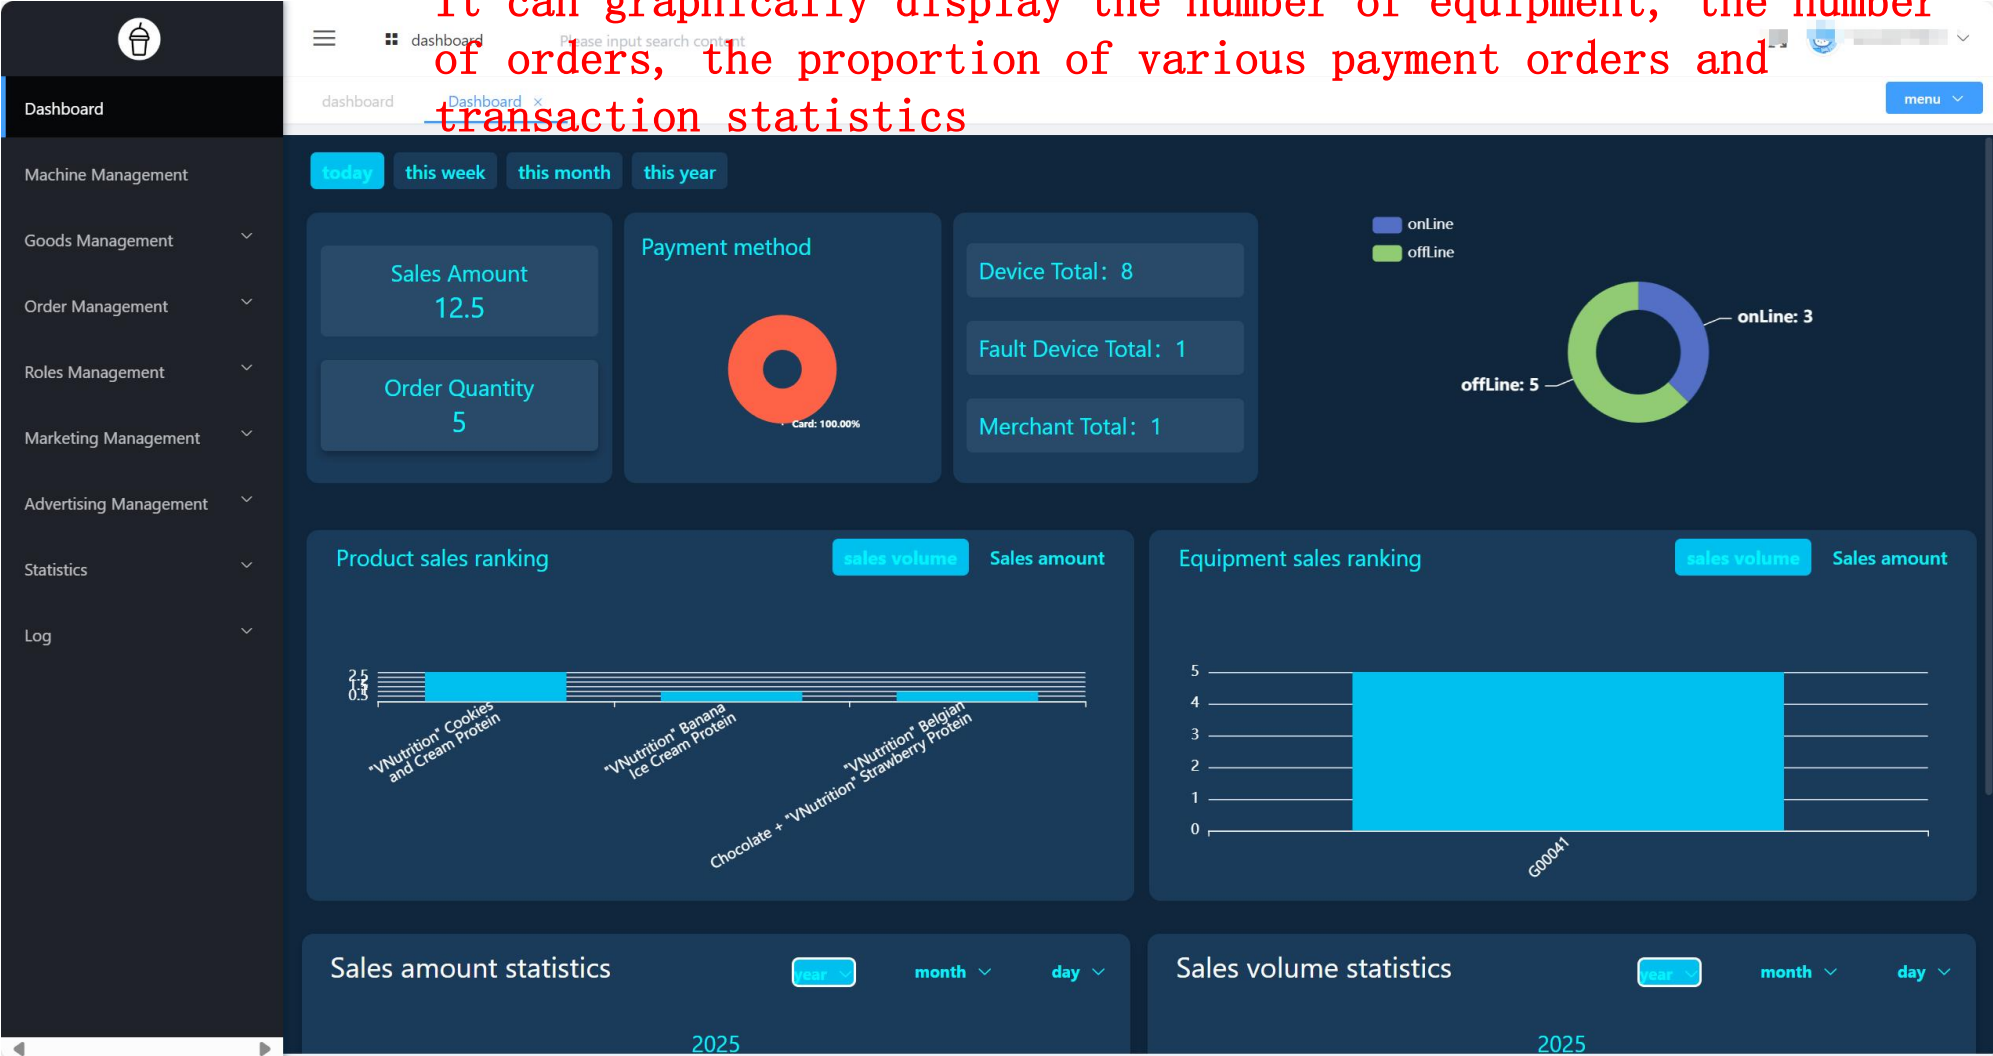

TEL: 02788771752

1、Functional introduction

- 1、Chart statistics function
- 2、Device management function
- 3、Formula configuration function
- 4、Order management
- 5、Merchant management
- 6、Marketing management
- 7、Information management
- 8、Statistical analysis of data

2.1、Chart statistics function

It can graphically display the number of equipment, the number of orders, the proportion of various payment orders and transaction statistics

2.2、Chart statistics function

It can graphically display the number of equipment, the number of orders, the proportion of various payment orders and transaction statistics
