Order Management

The screenshot shows a web application interface for order management. At the top, there is a navigation bar with a menu icon, the text '首页 / 订单管理 / 拍照机订单', and a language dropdown set to 'English'. Below the navigation bar is a search and filter section with the following fields: 'orderid' (请输入订单id), 'deviceld' (请输入设备id), 'deviceName' (请输入设备名称), 'payType' (请选择支付方式), and 'orderStatus' (请选择订单状态). There is also a 'createTime' section with '开始日期' and '结束日期' fields, a 'search' button, and a 'Reset' button. The current search results are displayed as '当前搜索条件总额: 0元'. Below the search section is a table with the following columns: 'orderid', 'deviceld', 'deviceName', 'orderStatus', 'payType', 'photo', 'gif', 'type', 'orderPrice', 'payTime', 'moneyReceiveld', 'createTime', 'remark', and 'control'. The table currently shows 'No Data'.

- You can filter and view orders based on order ID, device ID, device name, payment method and order status.
- Click Print Photo to remotely reprint the photo on the original device.
- Click Electronic Photo to directly download the user's electronic photo.

Device Management

The screenshot displays a web application for device management. At the top, there is a breadcrumb navigation path: 首页 / 设备管理 / 拍照机. To the right, there is a language dropdown set to 'English', a search icon, and a user profile icon. Below the navigation, there are tabs for '首页', '拍照机订单', and '拍照机'. A search bar contains filters for 'deviceId' (请输入设备id), 'deviceName' (请输入设备名字), 'address' (请输入地址关键字), and 'deviceStatus' (请选择设备状态). A 'search' button and a 'Reset' button are also present. The main content is a table with the following columns: deviceId, deviceName, softwareVersion, address, deviceStatus, price, 分账详情, deviceIncome, master, index.remark, and index.control. The table lists six devices, with the third one highlighted. The status of the devices is either 'onLine' or 'outLine'. At the bottom right, there is a pagination control showing 'Total 6', '10/page', and 'Go to 1'.

checkbox	deviceId	deviceName	softwareVersion	address	deviceStatus	price	分账详情	deviceIncome	master	index.remark	index.control
<input type="checkbox"/>	47788defccb50a6a	菲律宾拍照机	AI标版	菲律宾	onLine details	details		336325	pd_user_yuxuqin	633735190 B52nVI	remotePrinting reboot
<input type="checkbox"/>	c0384a9c98917bd6	菲律宾	AI标版	菲律宾	onLine details	details		34400	pd_user_yuxuqin	607244028 KXP9W1	remotePrinting reboot
<input type="checkbox"/>	yuxuqin_04	余旭琴的拍照机		菲律宾 10台	onLine details	details		0	pd_user_yuxuqin		remotePrinting reboot
<input type="checkbox"/>	yuxuqin_03	余旭琴的拍照机		菲律宾 此id用了3台	outLine details	details		0	pd_user_yuxuqin		remotePrinting reboot

<input type="checkbox"/>	yuxuqin_01	余旭琴的拍照机			outLine details	details		0	pd_user_yuxuqin		remotePrinting reboot

- You can view device information.
- You can remotely restart the device.

Modify the Price

The screenshot displays a web application interface for managing photo booths. A modal window is open in the center, titled 'Modify the Price', which contains ten input fields labeled '价格一' through '价格十', each with the value '18' entered. The background shows a table of photo booth devices with columns for device ID, name, status, and user. The table has 6 rows and 10 columns. The first row is a header row. The second row is a data row. The third row is a data row. The fourth row is a data row. The fifth row is a data row. The sixth row is a data row. The table is paginated with 10 items per page and 6 total items.

yuxuqin_01	余旭琴的拍照机	outLine		details	0	pdl_user_yuxuqin		remotePrinting reboot

- Click Price Setting to remotely modify the package pricing of the photo booth.

Photo Frame Management

- Click Photo Frame to view, add, delete and export the photo frame.

Photo Frame Management

- Click Add, and follow the instructions to fill in the photo frame related information and complete the photo frame upload.

Personal Management

The screenshot displays a web application interface for personal management. The top navigation bar includes a home icon, a menu icon, and the text '首页 / 个人中心'. The right side of the header shows a language dropdown set to '中文', search, and user avatars. Below the header, a breadcrumb trail shows '首页', '拍照机订单', '拍照机', '照片相框', and '个人中心'. The main content area is divided into two sections: '个人信息' (Personal Information) and '基本资料' (Basic Information). The '个人信息' section shows a profile picture and a list of user details: '用户名' (pd_l_user_yuxuqin), '手机号', '邮箱', '角色' (潘朵拉代理商), and '创建时间' (2023-11-01 15:45:37). The '基本资料' section has a '用户名' tab and a '修改密码' (Change Password) link. It contains four required fields: '* 昵称' (pd_l_user_yuxuqin), '* 手机号', '* 设备密码' (panduola), and '* 邮箱'. There are radio buttons for '性别' (Male/Female) with 'Female' selected. At the bottom of the form are '保存' (Save) and '关闭' (Close) buttons.

- Click the user's avatar in the upper right corner to enter the personal center and remotely change the device's login password.

Customer satisfaction is our responsibility.
