PE COATED PAPER CUP

KRAFT SINGLE WALL HOT PAPER CUP

- Poly Coated Lining, this cup resists condensation accumulation to protect the outside of the cup from weakening .
- These beautiful kraft paper cups have a natural, artisan look and are the most eco-friendly option available. They are unbleached, so their brown color is the natural color of the paper. the manufacturing process uses less water and resources than white paper cups!
- Unbleached, no chlorine .
- Suitable for beverages up to 200 degrees Fahrenheit .
- Certified Compostable by ISO9001
