

CIRCULAR CHARCOAL GRILL

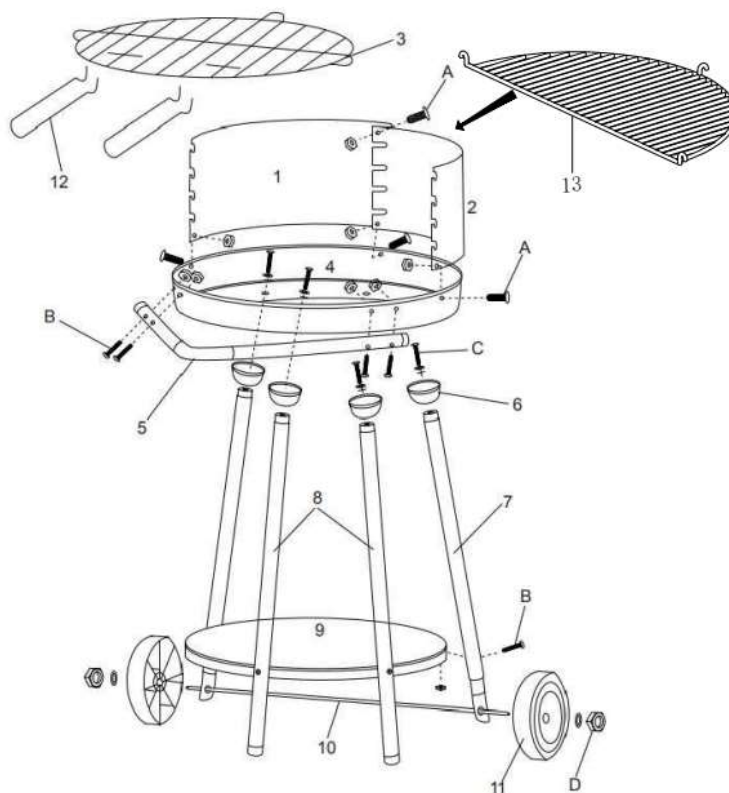

BEFORE USING

- Be sure to use an open, uncluttered place away from combustible elements for your barbecue.
- Before using for the first time, it is recommended to leave the fire burning for about 30 minutes.

PRECAUTIONS

- It is recommended not to move the grill with the fire on.
- Keep children out of the reach of the drum or hot areas.
- When lighting the charcoal, do not use flammable liquids.
- Do not use in closed spaces.
