Development history

Company Qualifications

Research and development capability

Suzhou Aowo R&D team has a wealth of design experience and many years of experience in the auto parts industry, and has developed a number of stable products for the factory.

Brief introduction

Located in Jiangsu Suzhou
Total 17000 square metres
Total 120 employees

Research and development capability

Suzhou Aowo and Shanghai Jiao Tong University collaborated with Jilin University to develop a high-voltage electronic fan:
