

PRODUCT-DETAILS

**SPDSI14**  
DI Module, 16 CH, 48 VDC (No Jumpers)

| General Information  |                                       |
|----------------------|---------------------------------------|
| Product ID           | SPDSI14                               |
| ABB Type Designation | SPDSI14                               |
| Catalog Description  | DI Module, 16 CH, 48 VDC (No Jumpers) |
| Long Description     | DI Module, 16 CH, 48 VDC (No Jumpers) |

| Additional Information |            |
|------------------------|------------|
| Product Type           | I-O_Module |

| Ordering              |                                                                                                                                                                                                                                                                                                       |
