

## PRODUCT-DETAILS

# 3BSE008552R1

## DI811 Digital Input 48V 16 ch

### General Information

|                      |                                                                                                                              |
|----------------------|------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 3BSE008552R1                                                                                                                 |
| ABB Type Designation | DI811                                                                                                                        |
| Catalog Description  | DI811 Digital Input 48V 16 ch                                                                                                |
| Long Description     | Isolated in two groups of 8 channels.<br>Use Module Termination Unit TU810, TU812, TU814, TU818, TU830, TU833, TU838, TU850. |

### Additional Information

|                    |                                                                                                                           |
|--------------------|---------------------------------------------------------------------------------------------------------------------------|
| Medium Description | Isolated in two groups of 8 channels. Use Module Termination Unit TU810, TU812, TU814, TU818, TU830, TU833, TU838, TU850. |
| Product Type       | I-O_Module                                                                                                                |

### Ordering

|                       |                                                                                                                   |
|-----------------------|-------------------------------------------------------------------------------------------------------------------|
| Country of Origin     | China (CN)<br>Poland (PL)                                                                                         |
| HS Code               | 853890-- Parts suitable for use solely or principally with the apparatus of heading 85.35, 85.36 or 85.37.- Other |
| Customs Tariff Number | 85389099                                                                                                          |

### Dimensions

|                    |        |
|--------------------|--------|
| Product Net Height | 119 mm |
|--------------------|--------|

|                    |        |
|--------------------|--------|
| Product Net Width  | 45 mm  |
| Product Net Weight | 0.3 kg |

Technical

|                           |         |
|---------------------------|---------|
| Channel Type              | DIGITAL |
| Number of Input Channels  | 16      |
| Number of Output Channels | N/A     |

Environmental

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| RoHS Status         | Following EU Directive 2011/65/EU                          |
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
