LET MUSIC  
LIGHT UP LIFE

CHORRIDIO

Founded by a senior team in China's audio industry, CHORDIO is deeply rooted in the field of acoustics with the core philosophy of "Technology Drives Innovation, and Innovation Leads the Future". With an ultimate pursuit of sound and a professional attitude, the team deeply integrates cutting-edge acoustic technologies with aesthetic art to polish the excellent sound quality of each product.

Innovation and design serve as the two engines of CHORDIO. The brand continues to break through the boundaries of acoustic technologies, optimizing audio decoding and sound field tuning. In terms of design, it creates audio products with fashionable appearances and exquisite craftsmanship by using simple lines, innovative ingenuity, and high-quality materials, making them artistic focal points in home spaces.

CHORDIO is committed to making high-quality audio accessible. By balancing acoustic performance and design aesthetics, it provides the public with cost-effective acoustic products. Upholding the vision of "Let Music Light Up Life", the brand expects to convey emotions through sound and bring users immersive auditory and artistic experiences.

## Introduction to Cube A Series

This is a portable handheld speaker specially designed for small indoor and outdoor sound reinforcement. With clear and stable sound transmission and an intuitive operation interface, its exquisite appearance design and portability make it suitable for various leisure occasions. The portable genuine leather handle facilitates easy mobility and long-distance travel, allowing you to enjoy heart-touching music anytime, anywhere. Whether for family parties, friend gatherings, or outdoor camping, it delivers excellent sound quality to meet your musical expectations.

## Functional Description

- ⦿ **Colorful Color Options:** Multiple colors available to meet personalized needs.
- ⦿ **Customizable Face Covers:** Magnetic face covers are replaceable, allowing you to personalize your speaker.
- ⦿ **Lightweight and Portable:** Compact and lightweight design with a carrying strap for easy single-handed carrying.
- ⦿ **Professional Tuning:** High-quality speaker units deliver excellent sound performance.
- ⦿ **Diverse Interfaces:** Bluetooth connection, AUX input, and USB playback interfaces.
- ⦿ **Convenient Operation:** Simplified control panel for intuitive and user-friendly operation.
- ⦿ **Long-lasting Battery Life:** Large-capacity rechargeable battery ensures extended playback.
- ⦿ **Multi-scene Application:** Suitable for home, outdoor activities, travel, parties, and various other occasions.

## Application Scope

- ⦿ Family entertainment
- ⦿ Home music listening
- ⦿ Friend gatherings
- ⦿ Outdoor camping
- ⦿ Private clubs
- ⦿ Mobile sound reinforcement

Portable genuine leather handle for  
easy mobility and long-distance travel

Enjoy beautiful music  
without a mobile phone

Long-lasting battery life  
for multi-scenario applications

The CubeA series  
shines both inside and out

# Cube A3

Free from wireless constraints  
making music more liberated

Available in six colors

o Simple White

• Deep Sea Blue

• Olive Green

• Turquoise Green

• Vibrant Orange

• Night Black

## Speaker Parameters:

Product Model: Cube A3	USB Output: 5V 1000mA
Product Type: Bluetooth Speaker	Pairing: TWS
Tweeter: 2x20mm Soft dome	Power: 40W
Woofer: 1x3.5"	Battery: 14.4V, 2000mAh
Frequency Response: 70Hz - 20KHz	Battery Life: 6-8 Hours
Impedance: 4Ω	Power Supply: 21V 2A, 100V-240V
Sensitivity: 86dB	Dimensions (HxWxD): 120x210x130mm
Amplifier: Class D	Net Weight: 2kg
Inputs: Bluetooth, AUX 3.5mm	Gross Weight: 2.41kg

# Cube A5

Free from wireless constraints  
allowing music to be more liberated

Available in six colors

o Simple White

• Deep Sea Blue

• Olive Green

• Turquoise Green

• Vibrant Orange

• Night Black

## Speaker Parameters:

Product Model: Cube A5	USB Output: 5V 1000mA
Product Type: Bluetooth Speaker	Pairing: TWS
Tweeter: 2x20mm Soft dome	Power: 60W
Woofer: 1x4.5"	Battery: 14.4V, 2000mAh
Frequency Response: 65Hz - 20KHz	Battery Life: 6-8 Hours
Impedance: 4Ω	Power Supply: 21V 2A, 100V-240V
Sensitivity: 88dB	Dimensions (HxWxD): 140x270x155mm
Amplifier: Class D	Net Weight: 2.74kg
Inputs: Bluetooth, AUX 3.5mm	Gross Weight: 3.27kg

Every music playback is a highlight moment of life's sense of ritual

## Introduction to Alpha XJ3

The Alpha XJ3 Bluetooth speaker is more than just a speaker—it's a sublimation of home art. It may be the battery-powered portable Bluetooth speaker with the most outstanding sound quality you can experience.

Simple and elegant elements meet fashionable concepts, offering a delicate and premium touch. The square body with rounded corners perfectly blends hardness and softness. The top function keys are neatly arranged, and the hidden LED indicator light only glows faintly when in operation, fully demonstrating minimalist aesthetics. Regardless of the home style, it can become the focal point of the space with its elegant appearance.

## Functional Description

- ⦿ **Dual-tone Fashion:** Available in two colors, Tech Silver and Olive Green, the aesthetic design fits various home styles.
- ⦿ **Compact & Adaptable:** Specifically designed for desktop use, its portable size takes up minimal space and allows flexible placement.
- ⦿ **Powerful Output:** With 2\*40W high-power output, the surging sound quality fills every corner.
- ⦿ **Superior Sensitivity:** Featuring 90dB high sensitivity, it delivers robust performance even at low volumes.
- ⦿ **Wide Frequency Response:** 50Hz-20KHz broad frequency range delicately restores every musical detail.
- ⦿ **Stereo Soundstage:** Combined dual-treble and dual-bass drivers create a stunning auditory feast with immersive stereo effects.
- ⦿ **Dual-mode Connectivity:** Supports AUX and Bluetooth dual input modes for seamless switching between diverse audio sources.
- ⦿ **Worry-free Battery Life:** USB charging ensures continuous enjoyment without power interruptions.

## Application Scope

- ⦿ Family entertainment
- ⦿ Friend gatherings
- ⦿ Private clubs
- ⦿ Home music listening
- ⦿ Outdoor camping
- ⦿ Mobile sound reinforcement

An acoustic black hole beside the sofa  
letting movie lines kiss the eardrums

Hear the details, immerse in the experience – the wonderful sound effects brought by a Bluetooth speaker

Free yourself from complicated  
cables and break free from fixed scenarios

wireless speakers

# Alpha XJ3

Cut the last wire, let music wander with the rhythm of the heartbeat

● Olive Green      ● Tech Silver

## Speaker Parameters:

Product Model: Alpha XJ3	Frequency Response: 50Hz~20KHz
Product Type: Desktop Bluetooth Speaker	Impedance: 6Ω
Tweeter: 2x1"	Sensitivity: 90dB
Woofer: 2x4"	Power Supply: AC Adapter 21V 2A
Connectivity: AUX 3.5mm Input,	Dimensions (HxWxD): 370x160x195mm
Bluetooth Input, USB Input, TWS Input	Net Weight: 4.08kg
Rated Power: 2x40W	Gross Weight: 4.68kg

Listen to it, and weld the lazy atmosphere to the living room

## Introduction to Desktop Mini T3

The Desktop Mini T3 Bluetooth speaker is more than just a speaker—it's a great companion for both work and entertainment. Despite its palm-sized body, it delivers stunning sound effects! As a desktop mini full-range speaker, it's compact and space-saving, fitting perfectly on your desk. Equipped with a full-range driver unit, it features clear highs, full mids, and powerful lows. Paired with a professional DSP digital amplifier of the same series, it restores musical details clearly, allowing you to immerse yourself in the melody.

## Functional Description

- **Dual-color Versatility:** Available in black and white, the minimalist design adapts to various scenarios.
- **Broadband Sound Quality:** 90Hz-20KHz wide frequency response delivers delicate sound with rich layers.
- **Powerful Amplification:** Equipped with Class D digital amplifier, 50W high-power output creates surging sound.
- **Dual-source Connection:** Supports Bluetooth and AUX dual-mode input for seamless audio source switching.
- **Emergency Charging:** 5V 1000mA USB output provides emergency charging for mobile phones. Global Adaptability: 100V-240V wide-range power supply ensures easy compatibility worldwide.
- **Mini Compact:** Ultra-compact size at only 156x110x70mm, perfect for desktop placement without taking up space.
- **Lightweight & Portable:** Weighing only 1.2kg, it balances portability and sound quality for easy carrying.

## Application Scope

- Bedroom
- Study
- Living room
- Café
- Office
- Outdoor camping

# Desktop Mini T3

Transform your desk into a music corner in an instant

Take the central spot on your desk, letting the desktop resonate with sound by itself

A small speaker turns your desk into a music corner in an instant

Add advanced wireless  
sound to your music system

## Introduction to Streaming Media Players

Still troubled by the "space limitations" of music playback ?

The W1 Hi-Fi multi-room music streaming receiver reconstructs the home music experience with wireless technology—simply connect to your home network and any audio system to inject global music resources into every room. Let jazz in the living room, folk music in the bedroom, and pop in the kitchen flow freely in their exclusive spaces.

## Functional Description

- ◉ **Flagship Decoding:** Equipped with AKM AK4396 professional DAC chip for more precise decoding.
- ◉ **High Fidelity & Low Distortion:** High-performance DAC chip ensures high signal-to-noise ratio/low distortion and pure sound quality.
- ◉ **Dual-platform Intelligent Control:** Compatible with dual systems, directly controlled via iOS/Android apps.
- ◉ **HiFi Sound Field:** HiFi-level sound quality with full sound field and clear details & layers.
- ◉ **Multi-room Linkage:** Multi-room linkage + stereo pairing for flexible and diverse usage.
- ◉ **Abundant Resources:** Massive streaming media resources, fully compatible with mainstream platforms.
- ◉ **DLNA Direct Pass:** Supports DLNA protocol for seamless cross-device streaming.
- ◉ **AirPlay Compatibility:** Compatible with AirPlay for seamless direct connection with Apple devices.

## Application Scope

- ◉ Bedroom
- ◉ Kitchen
- ◉ Study
- ◉ Office
- ◉ Living room
- ◉ Home Theater

One-click connection for stable music transmission without disconnection

Multi-device compatibility for easy enjoyment of massive audio resources

Plug and play  
easily start your music time

Intelligent adaptation for  
smooth playback on various platforms

• Nightfall Black

Receiver Parameters:

Product Type: Multi-room WiFi	Audio Formats: APE, FLAC, WAV, ALAC; AAC:
Music Streaming Receiver	AAC-LC, HE-AAC, HE-AAC v2; MP3: CBR/VBR
System: iOS, Android, Windows, Mac	Power Adapter: DC 5.5V, 1A with micro USB
WiFi: 802.11 b/g/n Standard	Analog Audio Output: RCA Stereo Output
Decoding: 24Bit, 192KHz	Switch/Connection Button: Press to power on/off,
Signal-to-Noise Ratio/SNR: 95dB	press to connect via WiFi pairing
DAC: AK4396	External WiFi Antenna: 2dB
SPDIF Output: Optical Fiber	Dimensions (HxWxD): 26x90x96mm
Official APP: iOS, Android	Weight: 0.18kg

# Monitoring Speaker

Hear the details and feel the authenticity

Music is a gift  
and your heart is an instrument

## Introduction to Pure M Series

The Pure M series belongs to active monitor speakers with midfield and near-field designs. The basic design principles of the M series are professionalism and accuracy. Currently, three products have been launched: M5, M6, and M10SUB. These models not only meet monitoring standards but also undergo appropriate optimization to consider the practical needs of the vast majority of users. On the basis of following professional standards, they are closer to the practicality of HiFi music appreciation, taking into account the texture, balance, and listening comfort of HiFi appreciation aesthetics. Whether in recording monitoring, home audio-visual entertainment, HiFi music appreciation, or other scenarios, Cordio Pure M series active monitor speakers provide excellent sound performance and product services.

## Functional Description

- ◉ **Sound Transmits Far:** Horn tweeter design enhances sound penetration and directivity.
- ◉ **Powerful Low-frequency Bounce:** Bass-reflex design shapes full and elastic low frequencies.
- ◉ **Edge Reduction & Noise Cancellation:** Streamline edge-cutting design reduces distortion and improves sound purity.
- ◉ **Minimalist Aesthetics:** Streamlined appearance design conforms to international minimalist aesthetic style.
- ◉ **Powerful Amplification & Precision Tuning:** Built-in AB-class amplifier and four-stage regulator adapt to diverse needs.
- ◉ **Universal Connection:** RCA interface for general audio connection, convenient to use.
- ◉ **Stable Long-distance Transmission:** XLR interface ensures no signal loss in long-distance transmission.
- ◉ **High-end Anti-interference:** TRS interface with strong anti-interference ability, suitable for mid-to-high-end devices.

## Application Scope

- ◉ Recording studio
- ◉ Office
- ◉ Live streaming room
- ◉ Bedroom
- ◉ Study
- ◉ Living room

Say goodbye to audio coloration interference  
and listen to the pure beauty of sound

Delicately analyze audio signals  
Bringing an ultimate experience for creation and appreciation

Immersive monitoring experience  
Precisely capturing every musical note detail

The distance from the sofa to  
the TV is the optimal listening position

# Pure M5

Distinct layers bring the on-site experience  
allowing sound to deliver directly to the heart

## Speaker Parameters:

Product Type: Monitoring Speaker	Inputs: XLR, TRS, RCA
Product Model: Pure M5	Input Sensitivity: -2dBu
Tweeter: 1" Aluminum Magnet, 25mm Voice Coil	Power: 75W
Woofer: 5"	Connection: VDE
Frequency Response: 55Hz ~ 20KHz	Frequency Point: 2100Hz
Maximum SPL: 106dB	Limiter: Soft Limiter
Horizontal Coverage: 110°	Control: High Frequency Adjustable
Vertical Coverage: 70°	Dimensions (HxWxD): 278x186x254mm
Amplifier: Bi-amp	Net Weight: 6.5kg
Impedance: 4Ω	Gross Weight: 7.2kg

# Pure M6

Let every sound wave  
become an exclusive auditory feast

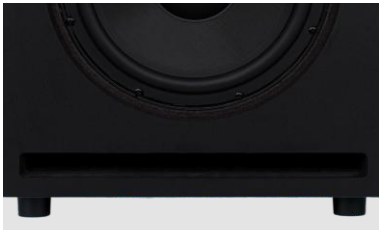

## Speaker Parameters:

Product Type: Monitoring Speaker	Inputs: XLR, TRS, RCA
Product Model: Pure M6	Input Sensitivity: -2dBu
Tweeter: 1" Aluminum Magnet, 25mm Voice Coil	Power: 110W
Woofer: 6.5"	Connection: VDE
Frequency Response: 50Hz ~ 20KHz	Frequency Point: 1900Hz
Maximum SPL: 108dB	Limiter: Soft Limiter
Horizontal Coverage: 110°	Control: High Frequency Adjustable
Vertical Coverage: 110°	Dimensions (HxWxD): 321x225x268mm
Amplifier: Bi-amp	Net Weight: 8.92kg
Impedance: 4Ω	Gross Weight: 10.08kg

# Pure M10SUB

Let the authentic warmth of sound  
overflow every inch of the auditory nerves

## Speaker Parameters:

Product Type: Monitoring Speaker	Input Sensitivity: -2dBu
Product Model: Pure M10SUB	Power: 150W
Woofer: 10" Composite Fiberglass Cone	Connection: VDE
Frequency Response: 36Hz - 200Hz	Sensitivity Control: +∞, +6, 0dB
Maximum SPL: 110dB	Limiter: Soft Limiter
Horizontal Coverage: 110°	Control: LF Adjustable
Vertical Coverage: 110°	Dimensions (HxWxD): 383x355x398mm
Amplifier: Bi-amp	Net Weight: 18.94kg
Impedance: 10Ω	Gross Weight: 20.84kg
Inputs: XLR, TRS, RCA	

Restore the purest musical details,  
making home listening feel like  
being in a recording studio

## Introduction to Pure M Series

The Pure MA series belongs to active monitor speakers, adopting high-fidelity acoustic technology to truly restore every note and reveal all details, allowing you to hear music in its most authentic form. Currently, three products are launched: MA5, MA6, and MA10SUB. With a minimalist design and convenient operation, it enables you to focus on the music itself without being distracted by the equipment. Whether in recording studios, broadcast studios, or home theaters, our monitor speakers can perfectly handle the task and become your trusted assistant. Using professional sound, we create every classic segment. Pure MA monitor speakers make real sound within your reach.

## Functional Description

- ⦿ **Black & Yellow Classic:** Black plastic panel paired with yellow speaker units, featuring a minimalist yet elegant design that catches the eye.
- ⦿ **Acoustic Ingenuity:** Arc-angle modeling and orderly layout showcase professional and steady texture.
- ⦿ **Outstanding Sound Effect:** Pure sound with powerful low frequencies meets professional audio needs.
- ⦿ **Strong Power:** Built-in AB-class amplifier ensures low distortion and robust power.
- ⦿ **Flexible Adjustment:** Four-band audio equalizer adapts to environmental requirements and personal preferences.
- ⦿ **RCA Universality:** RCA connectors transmit analog signals, widely used for audio connections.
- ⦿ **XLR Fidelity:** Balanced XLR interface enables long-distance transmission with complete signal integrity.
- ⦿ **TRS Durability:** Balanced TRS input resists interference, preferred for mid-to-high-end equipment.

## Application Scope

- ⦿ Recording studio
- ⦿ Office
- ⦿ Live streaming room
- ⦿ Bedroom
- ⦿ Study
- ⦿ Living room

Precisely capture vocal texture details  
ensuring zero-error recording

Assist mixers in  
polishing every inch of audio texture

Every musical note  
lands exactly on the true frequency point

# Pure MA5

Present the original texture of audio with physical-level precision

## Speaker Parameters:

Product Type: Monitoring Speaker	Input Sensitivity: -2 dBU
Model: Pure MA5	Power: 75W
Tweeter: 1" Neodymium Magnet, 25mm Voice Coil	Connection: VDE
Woofer: 1x5"	Frequency Point: 2100Hz
Frequency Response: 60Hz-20 KHz	Sensitivity Control: -1, 0, +1, +2 dB
Maximum SPL: 106dB	Control: HF Adjustable
Amplifier: Bi-amp	Dimensions: 277x180x245mm
Impedance: 4Ω	Net Weight: 5.3kg
Input Connections: XLR, TRS, RCA	Gross Weight: 6kg

# Pure MA6

Every breathing trill is clearly distinguishable

## Speaker Parameters:

Product Type: Monitoring Speaker	Input Sensitivity: -2 dBU
Model: Pure MA6	Power: 110W
Tweeter: 1" Neodymium Magnet, 25mm Voice Coil	Connection: VDE
Woofer: 1x6.5"	Frequency Point: 1900Hz
Frequency Response: 50Hz-20KHz	Sensitivity Control: -1, 0, +1, +2 dB
Maximum SPL: 108dB	Control: HF Adjustable
Amplifier: Bi-amp	Dimensions: 320x215x260mm
Impedance: 4Ω	Net Weight: 7kg
Input Connections: XLR, TRS, RCA	Gross Weight: 7.8kg

# Pure MA10SUB

Restore the cinema sound waves  
immersing every frame in a real sound field

## Speaker Parameters:

Product Type: Monitoring Speaker	Input Connections: XLR, TRS, RCA
Model: Pure MA10SUB	Input Sensitivity: -2 dBu
Woofer: 10" Composite Fiberglass Cone	Power: 150W
Frequency Response: 36Hz-200KHz	Connection: VDE
Maximum SPL: 110dB	Sensitivity Control: +∞, +6, 0 dB
Horizontal Coverage: 110°	Dimensions: 383x355x398mm
Vertical Coverage: 110°	Net Weight: 18kg
Amplifier: Bi-amp	Gross Weight: 19.9kg
Impedance: 10Ω	

# Guitar Amplifier

Let every performance of  
playing and singing become a stage

With it, your living room  
turns into a live venue in an instant

## Introduction to Jungle X Series

To meet the diverse needs of singer-songwriters, our musical instrument speakers integrate multiple functions. With various audio input interfaces, they can not only connect to guitars but also be compatible with microphones, electronic drums and other musical instruments or devices, facilitating band combinations or individual diversified performances. The built-in rich sound effect modes, such as chorus, high/mid/low bass, reverb and other effects, can be freely adjusted according to different song styles and the personal preferences of singer-songwriters, adding more color and creativity to their performances.

The CHORDIO Jungle X series is your exclusive musical instrument amplifier.

## Functional Description

- ⦿ **Core of Precision:** Integrated circuit, a compact body hiding powerful energy.
- ⦿ **Sound at Your Fingertips:** Professional independent tuning, every detail under finger control.
- ⦿ **Vast Sound Domain:** Diverse speaker configuration, high and low frequencies stage an auditory feast.
- ⦿ **Eightfold Sound Effects:** Eight preset modes, switch music genres with a tap.
- ⦿ **Soundwave Interconnection:** Link speakers for amplification, small setups command large scenes.
- ⦿ **Lossless Connectivity:** Dual bluetooth & USB Inputs, preserving original sound fidelity.
- ⦿ **Custom Monitoring:** Switchable monitoring modes, studio-grade sound on demand.
- ⦿ **Universal Instrument Compatibility:** Works with multiple instruments, flawless in performance and recording.
- ⦿ **Long-Lasting Battery:** High-capacity battery, non-stop music for a full day.
- ⦿ **Music on the Move:** Portable handle design, take your soundtrack anywhere.

## Application Scope

- ⦿ Friend Gathering
- ⦿ Teaching Performance
- ⦿ Campfire Tea Ceremony
- ⦿ Outdoor Singing and Playing
- ⦿ Internet Celebrity Live Streaming
- ⦿ Conference Sound Reinforcement

Take it with you and  
sing wherever you want

Carry your guitar amplifier anywhere  
– start your performance anytime  
anywhere without limits

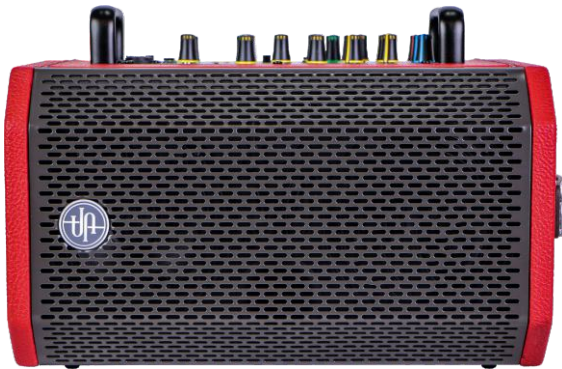

The perfect partner for your guitar –  
Start singing as soon as you take it out

# Home Audio System

Let your home become your private cinema

Make the sound clearer  
Make the movie more realistic

True reproduction  
An immersive audio-visual journey

Good sound  
Has never been so easy

Enhance your  
audio-visual entertainment with bass

# Vintage HT12

Light up every corner with sound

## Introduction to Vintage HT12

Monitoring-Class Vintage HiFi Speaker.

A blend of classical beauty and modern technology.

Cordio Vintage HT12 integrates vintage aesthetics with cutting-edge technology, serving as both a home art treasure and a favorite of audio enthusiasts. It accurately reproduces all music genres, with treble as clear as silk and bass as powerful as a surge—letting Baroque string music, jazz rhythms, and pop hits all reveal their original sonic charm.

Hear the echo of time and encounter an audio utopia—all in CHORDIO Vintage HT12.

## Functional Description

- ⦿ **Vintage Cabinet:** Replicates classic retro styling, crafted with ingenuity into a stable and solid enclosure that exudes elegant charm.
- ⦿ **Powerful Woofer:** Innovative front-firing port design delivers full, rich low frequencies with exceptional elasticity, creating a heart-pounding impact.
- ⦿ **Crystal-clear Treble:** Equipped with a 25-core metal aluminum-magnesium dome tweeter, producing clear, bright sound with delicate articulation.
- ⦿ **Mellow Midrange:** 50-core cloth dome midrange driver offers warm, mellow timbre for an immersive listening experience.
- ⦿ **Robust Woofer:** 12-inch specially designed paper cone paired with a 50-core woofer delivers powerful low frequencies, enhancing the ambient atmosphere.
- ⦿ **Precise Crossover:** Scientific three-way crossover layout accurately separates audio frequencies, ensuring rich and distinct sound layers.
- ⦿ **Flexible Adjustment:** Supports independent  $\pm 3\text{dB}$  EQ adjustment for treble and midrange, allowing precise control over ideal sound effects.
- ⦿ **Monitoring-grade Sound:** Features professional monitoring-grade crossover circuitry with high sound pressure level and low distortion, restoring pure original audio.

## Application Scope

- ⦿ Living Room
- ⦿ Home Theater
- ⦿ Study Room
- ⦿ Party Gathering

Every layout  
Brings out great sound

# Opera HC Series

Cinema-grade excellent sound experience  
which can be enjoyed at home

## Introduction to Opera HC Series

Opera HC Series Home Theater Speakers.

With a classic streamlined waist-drum cross-sectional design, the Opera HC Series balances acoustics, aesthetics, and art. The transparent piano lacquer with log texture combines with a majestic soundstage, delivering delicate yet powerful sound that immerses you in a natural musical baptism—like enjoying a sonic purification in nature.

Cordio Opera HC Series opens an infinite musical journey for you.

## Functional Description

- ⦿ **Beauty of Design:** Streamlined waist-drum cross-section, designed to integrate acoustics and art.
- ⦿ **Elegance of Texture:** Log-textured piano lacquer, with high-gloss spray paint on rosewood veneer for premium texture.
- ⦿ **Clarity of Treble:** High-temperature-resistant horn dome tweeter restores clear and bright high frequencies.
- ⦿ **Richness of Midrange:** Cast aluminum frame midrange driver, with aluminum drum paper magnetic circuit for delicate and full midrange.
- ⦿ **Power of Woofer:** Cast aluminum fork-frame woofer, with ferrite magnetic circuit delivering surging and shocking low frequencies.
- ⦿ **Stability of Details:** High-gloss anti-vibration aluminum spikes provide stable support to reduce resonance interference.
- ⦿ **Superiority of Wiring:** Gold-plated terminals with bi-wiring ensure pure signal transmission.
- ⦿ **Precision of Crossover:** Professional monitoring-grade crossover circuit accurately balances sound quality across all frequency ranges.

## Application Scope

- ⦿ Living Room
- ⦿ Home Theater
- ⦿ Study Room
- ⦿ Party Gathering

Opera HC6T

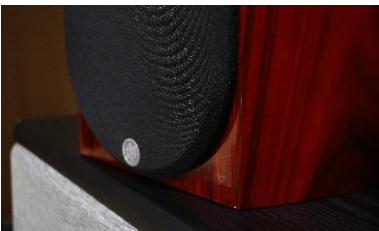

Opera HC6B

Opera HC5R

Opera HC5C

Speaker Parameters:

Product Model	Opera HC6T	Opera HC6B	Opera HC5R	Opera HC5C
Product Type	3-way floor-standing speaker	2-way bookshelf speaker	2-way bookshelf speaker	2-way center channel speaker
Tweeter	25-core tweeter	25-core tweeter	25-core silk dome tweeter	25-core silk dome tweeter
Midrange	6-inch 25-core midrange		5-inch 25-core midrange	2×5-inch 25-core midrange drivers
Woofer	2×6-inch 35-core woofers	6-inch 35-core woofer		
Frequency Response	40Hz~20KHz	45Hz~20KHz	70Hz ~ 20KHz	70Hz~20KHz
Sensitivity	88dB	88dB	86dB	86dB
Recommended Amplifier Power	30-200 W	20-120W	20-100 W	20-100 W
Dimensions	1130x250x370mm	370x250x330mm	350x192x230mm	192x480x230mm
Net Weight	24.87kg	8.94kg	4.68kg	6.76kg
Color	High-gloss spray paint on rosewood veneer			

# Opera HC Series

Bring the cinema home and immerse  
you in an authentically immersive experience

# Solid BW Series

Let every melody be filled with power

## Introduction to Solid BW Series

**Solid BW Active Subwoofer: Bring the Cinema Subwoofer Home.**

**Rugged Design:** With a sturdy and durable structure, it stands firm in the living room like an "audio-visual force field" !

**Bass Explosion:** Equipped with a superwoofer unit and full soundstage, it instantly elevates the immersive experience to live-performance level !

**Living Room Savior:** The perfect partner for home theaters and audio systems—unlock cinema-grade bass bombardment with just one button !

## Functional Description

- ⦿ **Deep Bass Impact:** 12"/15" subwoofers + dual-magnet system deliver deep, powerful low-frequency response with shocking impact.
- ⦿ **Micro-Level Detail:** Precision-tuned to restore sonic details, making every note clearly distinguishable.
- ⦿ **Surging Power:** Built-in full-digital Class D amplifier efficiently reproduces dynamic audio signals, unleashing robust sound effects.
- ⦿ **Minimalist Versatility:** Sleek and elegant design easily blends into various home environments, balancing functionality and aesthetics.
- ⦿ **Sturdy Durability:** Reinforced medium-density fiberboard (MDF) with a robust structure ensures stable performance and long-term reliability.
- ⦿ **Professional Configuration:** Conical front paper cone drivers paired with high-performance woofers create professional-grade bass effects.
- ⦿ **Flexible Connectivity:** Linear/LFE RCA dual-input interfaces adapt to multiple devices, meeting connection needs in different scenarios.
- ⦿ **Vibration & Noise Reduction:** Anti-vibration rubber feet design minimizes resonance interference, delivering pure, noise-free audio experience.

## Application Scope

- ⦿ Living Room
- ⦿ Home Theater
- ⦿ Study Room
- ⦿ Party Gathering

Cinema-grade bass bombardment

Solid BW-12D

Solid BW-15D

Speaker Parameters:

Product Model: Solid BW-12D

Product Type: 12" Active Subwoofer

Bass Unit: 12-inch

Frequency Response: 35Hz~120Hz

Amplifier Type: Class D

Power: 450W

Input: Line Input / LFE RCA Jacks

USB: 5V/250mA Charging

Phase: Adjustable 0°~180°

Power Input: 115V~230V

Dimensions (HxWxD): 390x346x400mm

Weight: 19.94kg

Product Model: Solid BW-15D

Product Type: 15" Active Subwoofer

Bass Unit: 15-inch

Frequency Response: 25Hz~120Hz

Amplifier Type: Class D

Power: 550W

Input: Line Input / LFE RCA Jacks

USB: 5V/250mA Charging

Phase: Adjustable 0°~180°

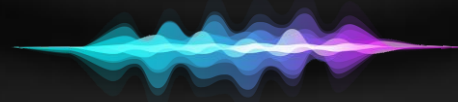

Power Input: 115V~230V

Dimensions (HxWxD): 483x426x500mm

Weight: 30kg
