

# LPE73Z

## MECHANICAL

| Parameter  | Details                       |
|------------|-------------------------------|
| Dimensions | 266mm (L)×289mm (W)×266mm (H) |
| Weight     | 13.000kg                      |

## Optical PERFORMANCE

| Parameter             | Details       |
|-----------------------|---------------|
| Luminous Intensity    | 12,800,000cd  |
| Luminous Flux         | 120,000lm     |
| Irradiation Angle     | 8~16(degrees) |
| Illumination Distance | 7,300m        |
| Light Source Type     | LED           |

## ELECTRICAL REQUIREMENTS

| Parameter         | Details |
|-------------------|---------|
| Power Consumption | 2000w   |
