## 车型介绍 Vehicle model introduction

The Starlight model focuses on trendy and affordable luxury, incorporating a large number of interstellar and cosmic elements into its design. It flexibly applies light and shadow technology, integrating the dome light with the triple gauge, making the overall shape resemble a spaceship in high-speed motion. The surrounding starry sky ceiling and adjustable jumping lights create an endless starry sky, greatly enhancing the luxurious tone of the interior. It reveals a sense of science fiction and dynamic mystery, interpreting the mystery, depth, and unpredictability of the interstellar universe within the vehicle, transforming the vast universe exquisite and delicate.

## 配色推荐 Color scheme recommendation

Combining modern and Chinese color elements, we selectd three premium color schemes tailored for the interior of the Starlight model, enriching the choices of interior colors and making the colors more vibrant. Enjoy professional interior customization services.
