

- Wattage adjustable and CCT adjustable
- High transparent lampshade.
- Strong electroplates pring & plastic sleeve.
- Die casting aluminum radiatorhas fast heat dissipation.
- Eaglerise driver, flicker free, DALI and 0-10V dimmable driver for your choice.
- Application: shopping mall, hotel, office, school, train station, airport, etc.

LED Driver

Driver	Eagleris CCT and Power Supply
Input Voltage	220-240 V~
Output Voltage	30-42 V DC

LED DOWNLIGHT

DLH1-8-DP3C

Specification | Technical & Product Data:

LED TYPE	SMD 2835
Wattage	22/24/26/28 W
Frequency	50-60 HZ
Power Factor	>0.9
Light color	Warm White /Natural white
Color Temperature	3000K/4000 K
SDCM	<5
Light efficiency	typ. 120 lm/W
Luminous flux	2530/2760/3120/3360 lm
CRI	>90
Cutout	210mm
Size	230x39mm
Lifespan L80/B10	50000 hrs at 25℃
ON/OFF cycles	>30000
Working conditions	-20℃ - 45℃
Material	Aluminum+PC
Body Color	White
Certification	CE RoHS
Type of light source	E
Warranty	5 Years
