Fuji SIC GOLDEN GUIDES

Fuji integrated reel seat

Gorgeous chameleon coating

PRODUCT STRUCTURE

Fuji detangling top ring

Spiral guide ring design

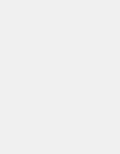

Product identification

Fuji reel seat

Comfortable EVA grip

PRODUCT FEATURES

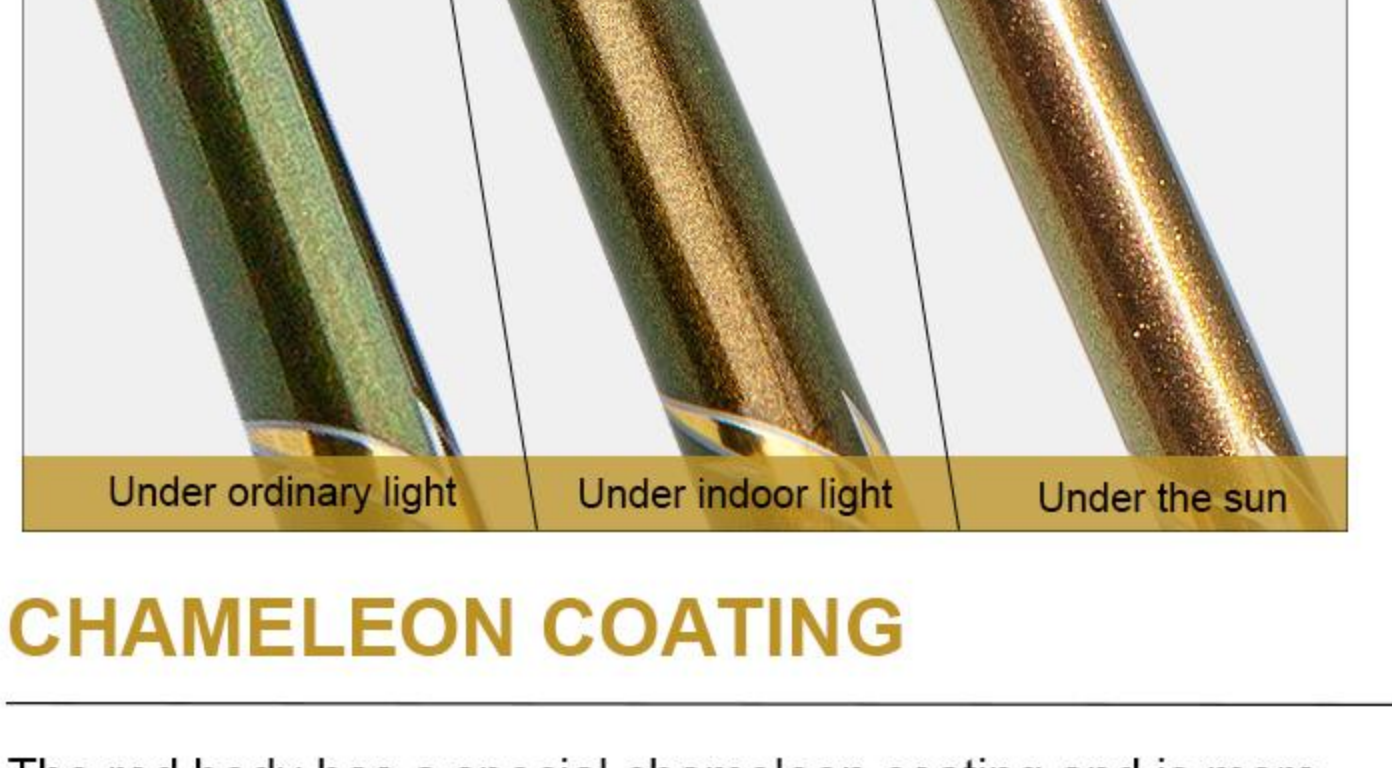

FUJI SIC GOLDEN GUIDE RINGS

It is equipped with Fuji SIC golden guide rings made of black silicon carbide ceramics which have better hardness, lighter weight and better heat dissipation performance.

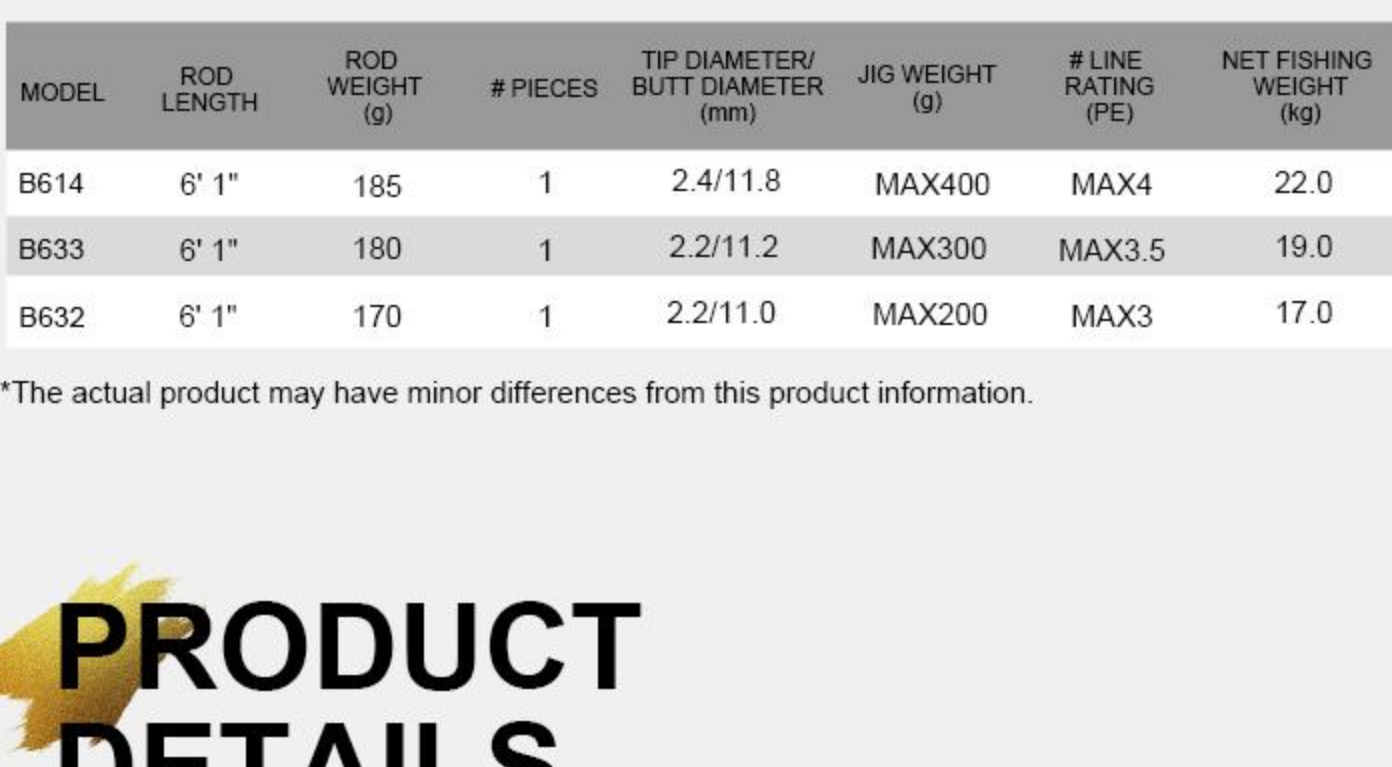

SPIRAL GUIDE RING DESIGN

The unique spiral guide ring design effectively prevents line tangling.

FUJI INTEGRATED REEL SEAT

Spiral reinforcement prevents the groove from moving and firmly locks the fishing reel.

CHAMELEON COATING

The rod body has a special chameleon coating and is more eye-catching when catching fish.
