Unit: mm

Specifications

|                  |                       |                         |                    |
|------------------|-----------------------|-------------------------|--------------------|
| Complete System  | Net Weight            | ≈3.5kg (≈7.71lbs)       |                    |
|                  | Colour                | Black/White/Silver      |                    |
|                  | Material              | Plastic/Aluminum        |                    |
| Display System   | Hinge Module          | Swivel (VESA Hinge)     | ±90°               |
|                  |                       | Tilt (VESA Hinge)       | -15° ~ + 35°       |
|                  |                       | Pivot                   | 180°               |
|                  |                       | User Torque Adjust      | Available          |
|                  | Display Support       | Mounting Pattern        | 100x100 / 75x75 mm |
|                  |                       | Display Type            | Singal Monitor     |
|                  |                       | Panel Size Support      | ≤32"               |
|                  | Height Adjust         | Support Weight (VESA)   | ≤15kg (≤33lbs)     |
|                  |                       | Height Adjustment Range | 315mm(12.40")      |
|                  |                       | (Arm)                   |                    |
|                  | Tension Torque Adjust |                         | Yes                |
|                  | Extended ArmProvided  |                         | 1                  |
| Cable Management |                       | Yes                     |                    |

Ordering Information

| Product No.               | Product Description                                            |
|---------------------------|----------------------------------------------------------------|
| T8-GA01-W (Color Remarks) | WallArm, patented VESA,,support 32",≤15kg,75x75 / 100 x 100 mm |
