

DOPAMINE BRIGHTS FILING SERIES

This filing series features a soft frosted PP finish combined with gentle color accents, delivering a calm, clean, and modern appearance.

The semi-transparent surface balances visibility and privacy, making it suitable for both professional and everyday environments.

With a complete product range, this series supports flexible filing solutions across office, school, and home use, while remaining highly suitable for OEM and private label programs.

PP INSERTABLE INDEX DIVIDER SERIES

This PP insertable index divider series is designed for efficient document classification and organized filing systems.

With a combination of tab quantity (5 Tabs / 8 Tabs) and pocket structure (no pocket / one pocket / two pockets), the range is structured into 3 styles and 6 SKUs, offering flexible solutions for different filing needs.

The semi-transparent colored tabs provide clear visual separation while maintaining a clean and coordinated appearance.

- One series covering basic to enhanced filing needs
- Unified color system for clean shelf presentation
- Simple SKU logic reduces selection complexity
- Ideal for OEM, private label, and bulk programs
