Household nugget ice maker 家用台式制冰机

产品描述 PRODUCT DESCRIPTION

Suitable for kitchen, office, bar, coffee bar, Milk tea shops, merchants, etc

- Ice making fast: 6 minutes fast ice, the use of efficient compressor, ice production capacity of up to 15kg/day.
- 2Low noise: A variety of quiet components and designs such as ultra - quiet exhaust fans are adopted.
- Ice out with one click: Ice can be easily taken by pressing the ice button to eliminate cross infection and avoid secondary contamination.
- 4Self-cleaning: With automatic cleaning function, regular internal cleaning.
- Water intake method: Manual water refilling, barrels, direct drinking water.
- Large capacity: Equipped with a 2.8L water tank and a 1.5kg movable ice basket, the equipment can work continuously for a long time.
- Chewable ice: Ice cubes are chewy, slow to melt, and have a unique taste that makes them ideal for drinks such as ice, cocktails, and sodas, maintaining a flavor that no other ice cube can match.

技术参数 TECHNICAL DATA

1.DIM-20A

Type	DIM-20A
Voltage	100V-120V/220-240V
Frequency	60Hz//50Hz
Current	2.8A/1.1A
Power	195W/150W
Water tank capacity	3.2L
Ice storage capacity	1.6KG
Ice making time	6-8minutes
Daily capacity	18KG/24H
Refrigerant	R600a/25g
NW	15KG
GW	16.5KG
Unit dimensions	415 × 270 × 418mm
Box dimensions	460 × 328 × 480mm
Loading Qty.	20GP/40GP/40HQ:348/716/900pcs
Material	Stainless steel

1.DIM-30A

Type	DIM-15A
Voltage	100V-120V/220-240V
Frequency	60Hz/50Hz
Current	2.1A
Power	120W
Top water tank capacity	1.5L
bottom water tank capacity	1.2L
Ice storage capacity	1.35kg
Daily capacity	15kg /24H
Ice making time	6-8mins
Refrigerant	R600a/25g
N.W	11.9kg
G.W	12.9kg
Unit dimensions	242 × 354 × 302mm
Box dimensions	398 × 286 × 335mm
Loading Qty	20GP/40GP/40HQ:780/1638/1798pcs
Material	Stainlesssteel
