

Technical Specifications
APB-260

Working temperature	-20~50 °C	AC output three phase	125kW 220V 320A
Storage temperature	-20~60 °C		24kW 220V 64A
Environmental humidity	0~95 %		12kW 220V 32A
Battery type	LFP	AC output single phase	1500W 100V 15A
Capacity	261kwh		4400W 220V 20A
Pack protection level	IP67	Release while flushing	Configuration
Battery cooling	Liquid cooling	Fire protection system	Perfluorohexanone
PCS	125kW	Operation mode	Touch screen
AC input	125kW 220V 320A	Length×width×height	2516×1441×2002mm
	6kW 220V 16A	Weight	4430kg
DC output	75V 250A	Protection level	IP55
