COMPANY PROFILE

Ningbo Bofan Sanitary Ware Co., Ltd. is a professional toilet seat manufacturer founded in 1995 integrating R&D, manufacturing, and global export.

We operate three manufacturing facilities — including our overseas factory in Thailand — enabling stable capacity, competitive lead times, and flexible OEM/ODM support for customers worldwide.

We focus on producing high-quality toilet seats across a wide product range of products, ranging from molded wood, MDF, UV, printing, veneer, Duroplast, PP to soft series.with soft-close, quick-release, and custom design options to meet various international standards.

Production Capacity & Facilities

Our factory covers over 100,000m² and operates with more than 300 skilled workers and 40 office staff.

With complete production lines from mold design, compression molding, injection, painting, assembly to inspection, we ensure every step is under strict quality control.

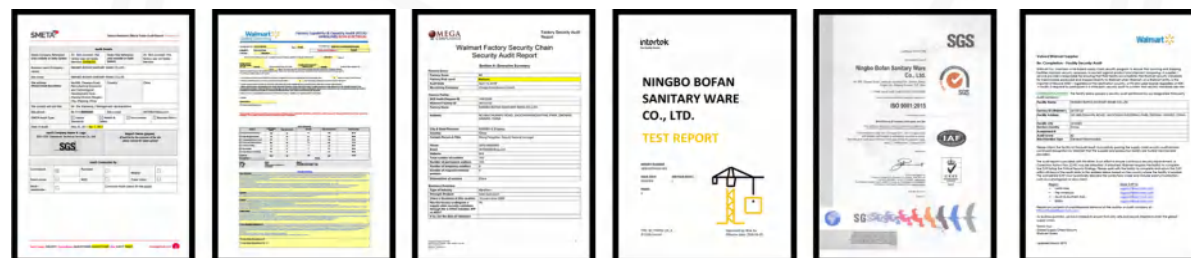

Annual capacity exceeds 8,000,000 pcs with monthly output around 800,000 pcs.

We have passed ISO 9001:2015 certification, and all products comply with CE, REACH, UPC,and EUDR requirements . And obtained more than 147 patents, of which 17 are patents for invention.

Every product undergoes raw material inspection, surface finish testing, hinge strength testing, soft-close life testing (over 50,000 cycles), and load/durability testing before packing.

Our QC department strictly follows AQL international standards, ensuring stable performance and consistent quality.
