CERTIFICATE OF INSPECTION

I, Sun Jiexi being an Approved Inspector of Shanghai Institute of Special Equipment Inspection and Technical Research, an authorized inspecting body named in the First Schedule to the Occupational Safety And Health (Plant Requiring Certificate Of Fitness) Regulations 2024, P.U.(A)99/2024, Malaysia, hereby certify that AIR TANK, Serial No. A240637 was constructed by Jiangsu Suifu Machinery Equipment Co., Ltd. in accordance with their drawing number SFTT-10(203)1.3-00, Rev.0

It was surveyed during construction by me and the scantlings are in accordance with ASME BPV Code Section VIII Div.1 2023 Edition for a design pressure of 1.3MPa. The workmanship is good.

The reports of samples of all materials used in its construction were reviewed by me and found to comply with the provisions of the above-mentioned Code.

On completion the pressure vessel was tested hydrostatically to 1.2MPa for a period of 30 minutes in my presence on Nov. 28, 2024. It showed no signs of weakness and was found tight and sound in every respect at that pressure. It was stamped by me as follows:

Dated this 3rd day of December 2024.
