Zhongshan LC Lighting Co.,Ltd.

MODERN LUXURY LIGHTING

ONE STOP LIGHTING SOLUTIONS YOUR CHINA LIGHTING CONSULTANT

Zhongshan LC Lighting Co.,Ltd (Brand as "Newtrend") is a professional manufacturer of indoor decorative chandeliers and matching floor lamps, table lamps, and wall lamps who has been deeply engaged in the lighting industry over 15 years. We offer a wide range of styles, from brass chandelier,wrought-iron chandelier,glass chandelier,crystal chandelier to modern led lamp,postmodern minimalism pendant lamp. In addition to our standard indoor products, we also undertake non-standard high-end hotel customized lamps, household high-end customized lamps, designer personalized lamps.

We have a modern plant area of more than 2000 square meters and about 50 employees. With 7 senior professional export staff members, we are able to provide our customers with fast responded professional suggestions and continuous after-sale services.Our products are made with the utmost attention to detail and quality, We try out best to ensure every customer feel satisfied with their purchase.

In recent years, with the gradual enrichment of engineering experience, we do lighting solutions for many customers, except for decorative lamps and commercial illumination but also assist in solving customers' outdoor lighting and architectural lighting needs, we integrate high-quality supply chain, the company team has two commercial lighting and outdoor lighting experts with more than ten years of engineering experiences, we are able to offer our clients comprehensive support and guidance throughout each stage of their lighting project.

With our commitment to quality and customer satisfaction, LC lighting is the perfect choice for all your lighting needs.

Design Philosophy

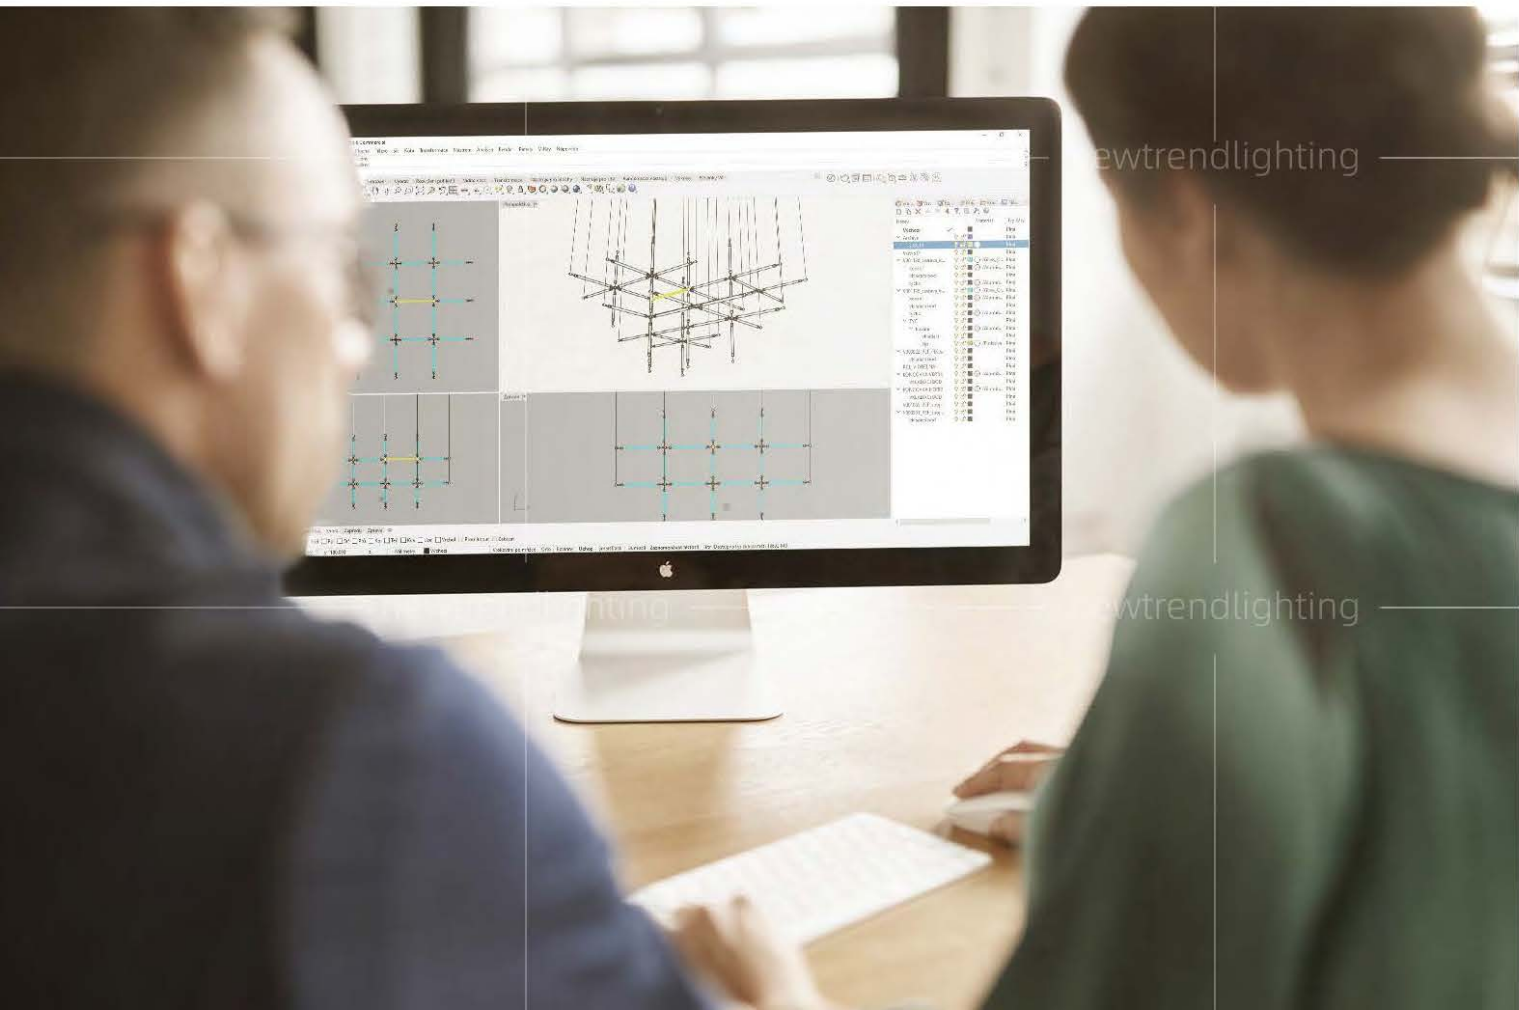

The LC Lighting brand emanates from boundless imagination for the future and a profound understanding of aesthetics.

Core Philosophy

We are dedicated to:

Creating unique and captivating light art,
Breaking traditional boundaries,
Redefining spatial experiences through innovative forms and materials.
Beyond Illumination
LC Lighting transcends functionality –
it is a conveyer of emotions.

Through avant-garde design language,
we awaken perception of beauty,
crafting a distinctive living experience.

Craftsmanship Philosophy

Craftsmanship Pursuit

LC Lighting embodies excellence in craftsmanship, treating each fixture as a meticulously carved piece of art.

Technology & Material

We fuse traditional craftsmanship with modern technology, rigorously selecting materials and perfecting every manufacturing step.

Innovation & Artistry

Through innovative techniques, we transcend conventional methods, breathing a unique artistic soul into every product.

Essence of Craft

LC Lighting's craft is a relentless quest for exquisite skill, delivering lighting beauty that captivates and inspires.

Service Philosophy

LC Lighting revolves around customer-centricity, delivering a unique and thoughtful experience for every user.

Beyond Solutions

We are not merely providers of lighting – we are companions listening to your needs.

Commitment to Excellence

- Professional design consultation
- Personalized customization
- Efficient & sincere after-sales service

Ultimate Vision

Through exceptional service, we craft homes with warmth, distinction, and joy.

Quality Philosophy

Essence of Quality

LC Lighting's relentless pursuit of excellence is rooted in quality as our ultimate core.

Materials & Craftsmanship

- Rigorous control from material selection to manufacturing precision
- Every product refined into a timeless masterpiece

Beyond Aesthetics

Our quality transcends visual appeal it is a holistic commitment to user experience.

Quality Assurance

Through reliability, durability, and excellence, we craft a sensory world of authentic light and shadow.

GOLDEN SILK DREAM 金丝梦

The "Golden Silk Dream" series of lighting fixtures evoke a dreamy feeling through the wonderful fusion of metal and glass.

RISING STEADILY 节节高升

FILL THE
SPACE WITH
MAGICAL
LIGHT AND
SHADOW

LC25-210-45W
D12*H45CM

Through the cut surface of the crystal,
a brilliant rainbow light leaps onto the
wall. Like a Rubik's Cube, light and
shadow rotate and change in space,
bringing a mysterious and unique
performance of light to the living room.
